I will be updating it later to explain about #45 Donald John Trump.

► What to an aborted baby is 9/11* ?

► What to an aborted baby is 9/11* ?

What should I say about abortion? What would you say about me for saying this to you, about freedom and 9/11, and what it means to the unborn, killed in their mother's womb in the most savage way?

"There is not a nation on the earth guilty of practices, more shocking and bloody, than are the people of these United States, at this very hour."

"Fellow-citizens, this murderous traffic is, to-day, in active operation in this boasted republic. "

"Americans! your republican politics, not less than your republican religion, are flagrantly inconsistent. You boast of your love of liberty, your superior civilization, and your pure Christianity, while the whole political power of the nation (as embodied in the two great political parties) is solemnly pledged to support and perpetuate ... it."

"God speed the year of jubilee (when the fetus is set free from abortion) "

These are not my words, just replace the word "abortion" and "9/11" with the words "slavery" and "July 4th", then you have the words of Frederick Douglas on slavery in 1852 !

<http://www.blackpast.org/1852-frederick-douglass-what-slave-fourth-july>

Since the "Curse of the Zeroes" starts with slavery, the USA is ended because of abortion and homosexual marriage, and "Curse of the Zeroes" describes the Twin Towers on 9/11/2001, I thought the words of a slave might be appropriate, who witnessed the horror of slavery of "only" 3 million "blacks" . I doubt Mr. Douglass could comprehend the destruction of 14,000,000+ "blacks" in the womb. He talks about the sobs of a mother, whipped because she is slowed down by her loved baby, and from having her child taken away. Could Frederick Douglass comprehend the same woman killing the child inside her womb of her own free will to get rid of her imaged burden?

One thing is for sure, by killing 14,000,000+ "black" babies, the democrats helped by the so called "republicans", probably removed 20,000,000+ future potential "black" voters. **Think about that while casting your free mason ballot !** Plus, they helped delay Satan's death sentence and 1,000 years in the pit, by every future baby that was not "born from above", as every soul has to be before Satan is cast down.*1

Wicked quislings !

► Curse of the Zeroes – Part 1 - The Bible, USA's Civil War, “ Mary Had a Little Lamb”

This is about understanding our history and slavery, using the Bible and "numerics". These series of five main articles not only explain our history, but, the coming future and judgment God placed on our country, before the New Testament was written. A seemingly impossible thing, except for God (*1 *3)

This all goes back to what blessing did Israel give the sons of Joseph, who came out of slavery in Egypt. which ended up founding the USA, Ephraim and Manasseh?

This following mystery baffled “Ripley's Believe It or Not” for years, Jack Anderson, Congress, and even the head of the CIA (President Bush #41) who would later become President himself and be involved directly in it. When President Bush #41 was shot down over the Pacific, after pressing home his bomber attack, and was the only crew member to survive the crash, he probably had no idea his survival would lead to this or his role in it !

Nancy Reagan's compulsive “astrology”

IMHO, This is the reason Nancy Reagan was driven to compulsive “astrology” readings and other pagan things, because she knew of the “Curse” and was searching for supernatural reasons. Can you imagine her angst when Ronald Reagan was shot and almost died? You can bet she spent every day after that worrying about the “final” bullet to come!

That being said, this is authored by someone that use to believe in space aliens more then God, that use to think homosexual behavior was okay, that use to approve of abortion as a “choice”, that was raised a liberal Massachusetts atheist, that was arrogant enough that the pastor of my wife's church said I was beyond hope when we were getting married, that I would never be a member of the church .

(note to pastors - never say those two things - especially in a church – God gave him his lesson New Year's Eve 2000).

Then I looked around and determined all the problems I saw in my crime ridden city was the result of children no longer going to church, so I determined to send mine even though I did not believe.

God put it upon my heart to read the Bible, which I have done cover to cover a few times. The first time I read the Bible, I realized how much **this world lied to me and misled me. That all my values were wrong.**

So, I have an opportunity to write this not because I my peers consider me brilliant, a worthy academic, a Bible scholar, or that I have any other such honor bestowed upon me by men with letters to follow my name, it is because God picked me to tell it out of billions of people. I am sure most of my classmates would call me a loser. Especially because I hated violence.

I am able to write it because God showered **great mercy** and **grace** upon me and has shown me many miracles. Including meeting the spirit of "The Prince of Darkness" as he calls himself, who frequently tested and tortured me.

Now, onto the Curse of the Zeroes (yes, I know how to spell zeros the correct way) and the Judgment God placed on the USA.

http://en.wikipedia.org/wiki/Curse_of_tippecanoe (click here)

"The term Curse of Tippecanoe (also known as Tecumseh's curse, the presidential curse, zero-year curse, the twenty-year curse, or the twenty-year presidential jinx) is sometimes used to describe the pattern where from 1840 to 1960 each American President who had won election in a year ending in zero (such as 1880 or 1900) died in office. It was broken by Ronald Reagan, who survived being wounded in a March 1981 shooting."

Well, today I finally figured out the "curse" of the Zeros and tied everything together.

I originally was interested in this, with all the word play between the death of President Lincoln and President Kennedy a few years ago. Bill O' Reilly mentioned this in his book Killing JFK, though he neglected to mention my solution that was mailed to him years earlier.

This has to do with the "zero" code, that from Lincoln to Kennedy every President elected to office in a year ending in zero (1840 1860 1880 1900 1920 1940 1960) died in office and only them. Then it was broken with Ronald Reagan in 1980.

By "numerics", I am not talking about those dizzying confusing charts using computers to tie random pieces of verses together to get a secret code that predicts some future event like 9/11, the end of the world, or something from within the Bible.

I am talking about numbers you can plainly read and understand in a King James Bible. You can read your Bible to find them, just search the Internet using "bible numerics 999" etc., or better yet study them in the back of the Companion Bible.

They are as follows:

5 God's Grace , #7 Fullness, Completeness,
#8 Resurrection, New Beginnings, New Birth, Christ, The Word

#9 Judgment, Finality, End, End of an Age or Era, The Physical Manifestation of the Fruit of the Understanding (good or bad), Tribulation (birthing of the fruit)

#13 Love, #17 Victory

#20 a generation or redemption of mankind

#40 probation period or trial

#50 Holy Spirit, Jubilee, Freedom

#70 ~ Universality ~ Restoration of Israel

100 Many references to 100 - It can mean Children of Promise. The temple was 100 x 50 cubits, many of the ornament things such as clasps were of 50. 100 prophets were hidden from Jezebel in two groups of 50 inside caves, etc.

#120 ~ Divine Period of Probation

Main dates to remember using our pagan calendar and numbering system:

Why the Civil War starts in 1861

The Civil War started in 1861 because:

The Civil War did not start until 50 years (Jubilee) had passed since the 1st president and Constitution came into effect (1789+50 = 1839). This is when presidents started to die in office !

The Civil War did not start until 40 years (probation) had passed since Thanksgiving had been declared a national holiday by President Madison in 1815. (1815+40 = 1855)

The Civil War ended 50 years (Jubilee) since Thanksgiving had been declared a national holiday by President Madison in 1815. (1815+50 = 1865)

1791 + 70 = 1861 When our evil Constitution (in God's eyes – see what the stenographer said) with the Bill of "Rights" passed in 1791, that denied God and kept blacks as slaves.

Since the death of presidents elected to office did not start until President Harrison (1840), the real KICKER is the Civil War started 50 years (Jubilee) after Tippecanoe in 1811 (1811+50=1861) !

What else happened in 1811 related to the Curse?

Commissioners' Plan of 1811 – the laying out of Manhattan ! See Curse Part 5.

For all those Doomsday Preppers worrying about the New Madrid fault ...

"December 16, 1811, the first of the New Madrid earthquakes shook the South and the Midwest. Many Indians took the earthquake as a sign that Tenskwatawa's predictions of doom were coming true, leading many to support Tecumseh"

1621 Thanksgiving, the Pilgrims at Plymouth

1776 Declaration of Independence -----> 13 years later (Bible numerics = rebellion)

1789 Washington elected as 1st President -----> 50 years later = 1839 Jubilee period when slaves are suppose to be set free

1815 Last time a President, Madison, declared Thanksgiving a national holiday

1840 William Henry Harrison elected. **First President elected in a year ending with Zero.**

Last President to be born before the Declaration of Independence and **first to die in office.** Oldest president to be elected before President Ronald Reagan was elected, who ended the dying curse.

From wiki "As he had with Clay, Harrison resisted pressure from other Whigs over patronage; when a group arrived in his office on March 16 to demand the removal of all Democrats from any appointed office, Harrison proclaimed, "**So help me God, I will resign my office before I can be guilty of such an iniquity**"."

Remember Nebuchadnezzar looking out over his kingdom and declaring HE was the one that built it. God immediately gave him the mind of a animal for 7 years until he knew and acknowledged God.

**What kind of iniquity was it to bribe the Indians
and give them whiskey to cause alcoholism among them?**

**What kind of iniquity was it to keep your black brothers as slaves
past the 50 year Jubilee period when God said to free slaves?**

IMHO, His statement resulted in the shortest Presidency, ever.

1848 Zachary Taylor elected. The 1st president Sarah Josepha Hale wrote a thanksgiving letter to, ignored. Zachary Taylor died in 1850 of intestinal disease *2. He was a southern slaveholder though he did oppose the spread of slavery to the territories (see wilmot proviso and Compromise of 1850).

Please note he was elected in 1840 too as in **“Tippecanoe and Taylor too”** !

Fillmore was never elected president; took over from Taylor. Sarah Josepha Hale wrote him a thanksgiving letter too, nothing done. He lost his election bid.

1853 Franklin Pierce elected. Sarah Josepha Hale wrote him a thanksgiving letter, ignored. The only President from the **"Live Free or Die"** state. Did not abolish slavery, 1/2 hearted promoted it with the Kansas–Nebraska Act. From reading his state of the union annual message, he really appears to be someone that loved God.

1857 James Buchanan elected. He was only President from the state of Pennsylvania and the only president to remain a bachelor (no seed line?). Pennsylvania was founded by William Penn. a very Godly man. In William Penn's will it stated if his sons would not promote Christianity in his state, his sons would lose their inheritance (the state of PA). It was from William Penn and his Quaker ties we get "freedom OF religion" (note: not freedom FROM religion). It was so Quakers would not to PAY and be forced to worship like the Protestants.

1859 White abolitionist John Brown starts an armed slave revolt at Harpers Ferry . Hanged for treason. His last words "“I John Brown am now quite certain that the crimes of this guilty land: will never be purged away; but with Blood. I had as I now think: vainly flattered myself that without very much bloodshed; it might be done.” Witnessed by JW Booth who later shot Lincoln. *He was correct, nothing upsets God's time tables.*

Generational 100 and 120 year period begins here -

1860 President Lincoln elected.

----> 20 years (a generation or "Redemption of Mankind ") since President Harrison elected and died in office. 50 years have passed with no Jubilee (setting the slaves free – our brother in laws – topic covered elsewhere) and 20 years have passed of redemption. That is 70 years, #70 = 70 ~ Universality ~ Restoration of Israel

40 years have passed with no thanksgiving as a national holiday. I am sure Lincoln knew this once he received Sarah Josepha Hale's letter.

1863 Lincoln, someone who read his Bible and had to know who Sarah Josepha Hale was, receives her letter and declares Thanksgiving a national holiday.

#17 victory - 17 years after Sarah Josepha Hale started her letter campaign.

5 God's Grace - five presidents written to

#8 Resurrection, New Beginnings, New Birth, Christ, The Word - number of Presidents that have died in office. 1860 certainly was a new beginning.

#9 Judgment, Finality, End, End of an Age or Era. I think it is possible we are due for one more President to die in office, right before the end times. Just a guess.

Pay attention to this speech, it is prophetic with Bible numerics!

On March 4, 1865, Lincoln delivered his second inaugural address.

"Fondly do we hope — fervently do we pray — that this mighty scourge of war may speedily pass away. Yet, if God wills that it continue, **until all the wealth piled by the bond-man's two hundred and fifty years of unrequited toil shall be sunk**, and until every drop of blood drawn with the lash, **shall be paid by another drawn with the sword**, as was said three thousand years ago, so still it must be said "**the judgments of the Lord, are true and righteous altogether.**" With malice toward none; with charity for all; with firmness in the right, as God gives us to see the right, let us strive on to finish the work we are in; to bind up the nation's wounds; to care for him who shall have borne the battle, and for his widow, and his orphan — to do all which may achieve and cherish a just and lasting peace, among ourselves, and with all nation"

....

until all the wealth piled by the bond-man's two hundred and fifty years of unrequited toil shall be sunk ...shall be paid by another drawn with the sword.

250 years divided by 50 year Jubilee periods = 5 deaths to follow by the "sword" after this speech, of presidents elected in years ending in zero.

1860 President Abraham Lincoln – Assassination by the sword (shot)

1880 President James A. Garfield Assassination by the sword (shot)

1900 President William McKinley Assassination by the sword (shot)

1920 President Warren G. Harding – Assassination by the sword (poisoned)

1960 President John F. Kennedy Assassination by the sword (shot)

----> **120 years since 1860 #120 ~ Divine Period of Probation**

1980 Ronald Reagan - almost assassinated, saved by the grace of God IMHO and was not "shall be paid by another drawn with the sword".

From wiki:

"For the time, Reagan was unusual in his opposition to racial discrimination, and recalled a time in Dixon when the local inn would not allow black people to stay there. Reagan brought them back to his house, where his mother invited them to stay the night and have breakfast the next morning."

President #40 Ronald Reagan was our probation president, that is what #40 means in the Bible. One of his most significant works was the Mexico Accord.

Is there anyone that will really argue since President Ronald Reagan, probably the most righteous man of God elected to office of President in the 20th century, that all the following Presidents have been "**lacking**" along with our other "**leaders**" ?

It was Reagan that saved us from Esau-Edom-Russia.

Anyone want to argue it has NOT been downhill for the USA since Reagan?

What does God have to do to get our stiff necked attention?

Since Roe Vs. Wade in 1972/1973 abortion was wrecked our country. It has destroyed the black population.

We are coming up on our 40 year "probation" period for our mass 1st degree murders, that has resulted in black genocide.

10And ye shall hallow the fiftieth year, and proclaim liberty throughout all the land unto all the inhabitants thereof: it shall be a jubile unto you; and ye shall return every man unto his possession, and ye shall return every man unto his family.

11A jubile shall that fiftieth year be unto you: ye shall not sow, neither reap that which groweth of itself in it, nor gather the grapes in it of thy vine undressed.

12For it is the jubile; it shall be holy unto you: ye shall eat the increase thereof out of the field.

13In the year of this jubile ye shall return every man unto his possession.

14And if thou sell ought unto thy neighbour, or buyest ought of thy neighbour's hand, ye shall not oppress one another:

15According to the number of years after the jubile thou shalt buy of thy neighbour, and according unto the number of years of the fruits he shall sell unto thee:

16According to the multitude of years thou shalt increase the price thereof, and according to the fewness of years thou shalt diminish the price of it: for according to the number of the years of the fruits doth he sell unto thee.

17Ye shall not therefore oppress one another; but thou shalt fear thy God:for I am the LORD your God.

17And David spake unto the LORD when he saw the angel that smote the people, and said, **Lo, I have sinned, and I have done wickedly: but these sheep, what have they done?** let thine hand, I pray thee, be against me, and against my father's house.

18And Gad came that day to David, and said unto him, Go up, rear an altar unto the LORD in the threshingfloor of Araunah the Jebusite.

19And David, according to the saying of Gad, went up as the LORD commanded.

20And Araunah looked, and saw the king and his servants coming on toward him: and Araunah went out, and bowed himself before the king on his face upon the ground.

21And Araunah said, Wherefore is my lord the king come to his servant? And David said, To buy the threshingfloor of thee, to build an altar unto the LORD, that the plague may be stayed from the people.

22And Araunah said unto David, Let my lord the king take and offer up what seemeth good unto him: behold, here be oxen for burnt sacrifice, and threshing instruments and other instruments of the oxen for wood.

23All these things did Araunah, as a king, give unto the king. And Araunah said unto the king, The LORD thy God accept thee.

24And the king said unto Araunah, Nay; but I will surely buy it of thee at a price: neither will I offer burnt offerings unto the LORD my God of that which doth cost me nothing. So David bought the threshingfloor and the oxen for **fifty shekels of silver**.

25And David built there an altar unto the LORD, and offered burnt offerings and peace offerings. So the LORD was intreated for the land, and the plague was stayed from Israel.

Sarah Josepha Hale

The mother of Thanksgiving and "Mary Had a Little Lamb"

<http://www.answers.com/topic/sarah-josepha-hale>

Her advocacy for the national holiday **began in 1846 and lasted 17 years** before it was successful.[26] In support of the proposed national holiday, she wrote letters to five Presidents of the United States -- **Zachary Taylor, Millard Filmore, Franklin Pierce, James Buchanan, and Abraham Lincoln**. Her initial letters failed to persuade, but the letter she wrote to Lincoln did convince him to support legislation establishing a national holiday of Thanksgiving in 1863.[27]

Her novel, published in the U.S. under the title *Northwood: Life North and South* and in London under the title, *A New England Tale*, made her one of the **first American women novelists and one of the first of either gender to write a book about slavery**. The book, which espoused New England virtues as the model to follow for national prosperity, was immediately successful.[5] The novel not only espoused New England values, but supported the **re-Africanization of slaves in the colony of Liberia**. It is an argument for **Thomas Jefferson's apprehension regarding the difficulty the races would encounter (and have encountered) in living together with the specter of slavery between them**. In her introduction to the second edition (1852) Sarah Hale writes in the spirit that is characteristic of the principles by which she lived, "The great error of those who would sever the Union rather than see a slave within its borders, is, **that they forget the master is their brother, as well as the servant; and that the spirit which seeks to do good to all and evil to none is the only true Christian philanthropy**." The premise of her book is just that. While slavery hurts and dehumanizes slaves absolutely, it also dehumanizes the masters and retards the psychological, moral and technological progress of their world.

THANKSGIVING LETTER

http://womenshistory.about.com/od/thanksgiving/a/sarah_hale_letter.htm

Sarah J. Hale to Abraham Lincoln, Monday, September 28, 1863 (Thanksgiving)

From Sarah J. Hale to Abraham Lincoln¹, September 28, 1863

Philadelphia, Sept. 28th 1863.

Sir.--

Permit me, as Editress of the "Lady's Book", to request a few minutes of your precious time, while laying before you a subject of deep interest to myself and -- as I trust -- even to the President of our Republic, of some importance. **This subject is to have the day of our annual Thanksgiving made a National and fixed Union Festival.**

You may have observed that, for some years past, there has been an increasing interest felt in our land to have the Thanksgiving held on the same day, in all the States; it now needs National recognition and authoritative fixation, only, to become permanently, an American custom and institution.

Enclosed are three papers (being printed these are easily read) which will make the idea and its progress clear and show also the popularity of the plan.

For the last fifteen years I have set forth this idea in the "Lady's Book", **and placed the papers before the Governors of all the States and Territories** -- also I have sent these to our Ministers abroad, and our Missionaries to the heathen -- and commanders in the Navy. From the recipients I have received, uniformly the most kind approval. Two of these letters, one from Governor (now General) Banks and one from Governor Morgan² are enclosed; both gentlemen as you will see, have nobly aided to bring about the desired Thanksgiving Union.

But I find there are obstacles not possible to be overcome without legislative aid -- that each State should, by statute, make it obligatory on the Governor to appoint the last Thursday of November, annually, as Thanksgiving Day; -- or, as this way would require years to be realized, **it has occurred to me that a**

proclamation from the President of the United States would be the best, surest and most fitting method of National appointment.

I have written to my friend, Hon. Wm. H. Seward, and requested him to confer with President Lincoln on this subject As the President of the United States has the power of appointments for the District of Columbia and the Territories; also for the Army and Navy and all American citizens abroad who claim protection from the U. S. Flag -- could he not, with right as well as duty, issue his proclamation for a Day of National Thanksgiving for all the above classes of persons?

And would it not be fitting and patriotic for him to appeal to the Governors of all the States, inviting and commending these to unite in issuing proclamations for the **last Thursday in November as the Day of Thanksgiving for the people of each State?**

Thus the great Union Festival of America would be established.

Now the purpose of this letter is to entreat President Lincoln to put forth his Proclamation, appointing the last Thursday in November (which falls this year on the 26th) as the National Thanksgiving for all those classes of people who are under the National Government particularly, and commending this Union Thanksgiving to each State Executive: thus, by the noble example and action of the President of the United States, the permanency and unity of our Great American Festival of Thanksgiving would be forever secured.

An immediate proclamation would be necessary, so as to reach all the States in season for State appointments, also to anticipate the early appointments by Governors.

Excuse the liberty I have taken
With profound respect
Yrs truly

► **Curse of the Zeroes – Part 2 - USA's Civil War – Ephraim & Manasseh should have known !**

Originally, the USA was founded mainly by two tribes of Israel, **Ephraim and Manasseh**, who were born to Joesph in Egypt and led out of slavery later by God with Moses. Then later God scattered the ten tribes of Israel because of their idol worship and baby killing. The Jews (Judah and Benjamin) would follow later.

There are two numbers you should pay special attention to “600,000” and “180,000”. So, I added this text BEFORE my old article.

I have covered the following in extreme detail on my website for anyone that wants the information, about who Obama is, who the “blacks” are, and why Obama dropped “the war on terror”.

Basically, the so called “blacks” (Cushites – white Ham and his son married the blacks of Kenya) were sold into slavery to their “white” (Ephraim and Manasseh) in-laws most likely by the “afro-arabs” (what Obama's relatives are called in Kenya) of Kenya. These are “Kenites”, ½ “Egyptian” ½ “black” - quite literally the seed of Satan. Kenya in spoken Hebrew means Cain (Ken) our God (Yah), which is how they wanted the country named, after their oral tradition.

Basically, white Ham slept with his white mother, Noah kicked him and his white son out. Ham and his sons married into the blacks of Kenya and became known as Hamites and Cushites within that nation, even onto this day. In turn, Kenya about 70 AD was invaded by the Kenites (fake Jews) when they fled because of the Romans. This seed of Satan, Kenites (Obama's socialist relatives) sold the Cushites (from Ham) into slavery to their white in-laws (13 colonies and the USA).

This fulfills not only the Old Testament and what Noah said, but, is confirmed by the Book Of Enoch !

=====

Genesis 9 (KJV)

18 And the sons of Noah, that went forth of the ark, were Shem, and Ham, and Japheth: and Ham is the father of Canaan.

22 And Ham, the father of Canaan, saw the nakedness of his father, and told his two brethren without.

25 And he said, Cursed be Canaan; **a servant of servants shall he be unto his brethren.**

26 And he said, Blessed be the Lord God of Shem; and **Canaan shall be his servant.**

27 God shall enlarge Japheth, and he shall dwell in the tents of Shem; and **Canaan shall be his servant.**

=====

saw the nakedness of his father = slept with his wife !

Servant said three times !

Now, here is the kicker, this was foretold in the Book of Enoch written many years earlier !

=====

Book of Enoch (*4)

89.9 And that white bull, who became a man, went out from that vessel, and the three bulls with him. And one of the three bulls was white, like that bull, and one of them was red as blood, and one was black.

=====

that white bull = Noah
and one was black = Cushites of Kenya and of America
red = Russia/Edom

What follows 89.9 is the story of Joseph being sold into slavery !

=====

89.13 And when those twelve sheep had grown, they handed one of their number over to the asses, and those in turn, handed that sheep over to the wolves; and that sheep grew up amongst the wolves.

(Joseph)

89.14 And the Lord brought the eleven sheep to dwell with it, and to pasture with it amongst the wolves, and they increased and became many flocks of sheep.

=====

(the other eleven sons of Jacob aka Israel)

=====

Exodus 12 (KJV)

36 And the Lord gave the people favour in the sight of the Egyptians, so that they lent unto them such things as they required. And they spoiled the Egyptians.

37 And the children of Israel journeyed from Rameses to Succoth, **about six hundred thousand on foot that were men**, beside children.

=====

Israel (which included Ephraim and Manasseh that would found the USA) left the SLAVERY of Egypt with about 600,000 fighting men. Now how many fighting men died in our Civil War ?

<http://www.civilwar.org/education/history/faq/>

Approximately 620,000 soldiers died from combat, accident, starvation, and disease during the Civil War.

What does the number 180,000 mean in the Bible ? Civil War and oppression. This number is buried throughout out history right up to Korea, Afghanistan, and Iraq !

"An estimated **180,000 soldiers**, a combination of free men of colour and men of color formerly not free, served in the armies of the United States of American during the Civil War."

180,000 means Civil War in Bible numerics.

So, the nation of Ephraim and Manasseh, which had fled slavery with the 600,000 of Israel from Egypt, had 600,000 killed during it's Civil War, and even more then that, had 180,000 "blacks" (Cushites) fight in the Civil War for their freedom.

► The Bible and Time Lines in American History

First, taking nothing I say as absolute truth.

These are points for you to consider, use your own judgment. Most of all, only trust as truth what you read in a unmolested King James Bible (I do not mean the original 1611, I mean not the "new" - I like Nelson's). This way using an original unmolested Strongs, you can trace back the English words to their original languages. Imho, I think the large print Companion Bible from Shepard's Chapel Church is the best.

If any man speaks a word and it goes against God's law or Word, point it out, and if he does not change, discount him until he changes. The same goes with me.

That being said I was led to solve that long standing "Curse of the Zeros" by using the Bible and why President Reagan did not die. I would like to give you a math lesson on the USA using the Bible and what it means today.

► I mean, it is pretty weird that every President, since the founding of our country, elected in a year ending in zero died in office. What are the odds of that happening?

The 1st President that died in office was elected in 1840. For it to happen ONLY to them, ALL elected from 1840 to 1960, with the year ending in zero? (note: Fillmore was not elected in 1850! Fillmore succeeded Taylor (He=#8!) who WAS elected in 1840 as Vice President!)

► It happened to all 7 of them and only them. Out of 35 Presidents. What are the odds of that? To happen every 20 years, and only that, which is a generation in the Bible, without fail. What are the odds of that happening?

But, first go to this and read it, it makes this this page much shorter:

http://en.wikipedia.org/wiki/Curse_of_Tecumseh (click here)

There are errors on this page, I might correct them later.

Note even famous columnist Jack Anderson (he disliked Pelosi and thought she was corrupt ...) noticed it and wondered why President Ronald Reagan did not die, like he was suppose to. It goes to Bible numerics and God's grace.

Time Lines in American History

- ▶ 1613 slave post opened in Manhattan (where WTC 01-07 were located)
- ▶ --1613 tobacco introduced
- ▶ --1613 "Good Newes from Virginia"
- ▶ --1613 Baptism of Pocahontas

250 years of slavery to

- ▶ 1863 Thanksgiving
- ▶ 1865 Lincoln's speech

100 years - children of promise (1860-1960)

- ▶ 1880 James A. Garfield
- ▶ 1900 William McKinley
- ▶ 1920 Warren G. Harding
- ▶ 1940 Franklin Delano Roosevelt
- ▶ 1960 John F. Kennedy

120 years - Divine Period of Probation (1860 Lincoln – 1980 Reagan)

- ▶ 1980 President Reagan

=====

- ▶ #250 (2+5+0=#7 Completeness)

The key to all this is the line in Lincoln's second inaugural address "until all the wealth piled by the bond-man's two hundred and fifty years of unrequited toil shall be sunk" and Thanksgiving.

Why was this one of Lincoln's favorite speeches? What did Lincoln mean and what books had he read? Someone against slavery. What of the #250?

It goes back to Thanksgiving being declared a national holiday in 1863, after we forgot God as a nation for over 40 years. This is the key to many things. 1863-250 years = 1613.

What happened in 1613 that President Lincoln would have known and referenced?

Year 1613

<http://en.wikipedia.org/wiki/Proto-globalization> (click here)

"The selling of slaves to the New World opened up trading posts in North America; the Dutch opened their first on Manhattan Island in 1613."

Where was the World Trade Center with "7" buildings and the Twin Towers of 9/11 located? Manhattan.

There are many things tied to this with the #11, but, I will leave that for other web sites.

► **Curse of the Zeroes – Part 5 - the whore of Babylon and NYC's seven mountains** ([click](#))

Year 1613 the introduction of tobacco. Were slaves used to harvest and pick it? Was it one of the crops behind the economics that started the Civil War?

Did it escape Lincoln's notice that so many "founding" fathers (I consider the "true" founding fathers the original colonists) were from Virginia?

Year 1613 "Good Newes from Virginia" by the preacher Alexander Whitaker.

http://en.wikipedia.org/wiki/Alexander_Whitaker (click here)

He said in this of the Indians "servants of sinne and slaves of the divill," but also recognizes them as "sons of Adam," who are "a very understanding generation, quicke of apprehension, suddaine in their despatches, subtile in their dealings, exquisite in their inventions, and industrious in their labour."

Wait, did a clergy man educated at Trinity College, Cambridge England called Indians "sons of Adam"? A pretty bold statement in the colonies at that time! Did he them or compliment them? Did they wander to the Americas from over the Bering straight or arrive by boat ?

The kicker is how the Indians cooked their fish on cedar planks, this dates back to the building of Solomon's temple !

How did President Harrison elected in 1840 treat these "sons" of Adam? Not too kindly. It is not without reason they called hard alcohol and rum "demon liquor".

► **Figuring the odds**

From Lincoln's speech 250 years of slavery / 50 years of Jubilee (where you are suppose to set slaves free) = 5 periods

5 = God's Grace, Peace, Protection, Covering, Age or Season in Time

Five Presidents, besides Lincoln, elected in a year ending with a zero died in office past that speech, hence the curse of the zeros, or as I coined it "Curse of the Zeroes".

----1880 James A. Garfield Assassination
----1900 William McKinley Assassination
----1920 Warren G. Harding Assassination – poisoned heart attack
----1940 Franklin Delano Roosevelt (stayed too long) died of polio
----1960 John F. Kennedy last Assassination

Five died by the sword (Lincoln, Garfield, McKinley, Harding, Kennedy).

The death of the 1st president in 1840 was because he rejected Thanksgiving and declared himself righteous. You have to separate that from the “5”

It happened every 20 years, which is every generation.

#20 = Redemption ($2 + 0 = 2$) of Mankind

35 total presidents and starting in 1840, seven elected Presidents died in office.

In the Bible these numbers represent:

5 - God's Grace, Peace, Protection, Age or Season in Time
7 - Fullness, Completeness, Innumerable (the "series is complete in 7")
#23 - Death (the opposite or "turned" of the "#32 - covenant")
#35 - Hope (#35 Hope "turned" to hex\$ = #23)

35 presidents / # 5 due Jubilees = #7 Completeness (spiritual)

--- seven total elected presidents (all on zero) have died in office

$35/7$ (elected presidents dead) = # 5 (Grace season in time)

This is a complete circle.

► **Curse of the Zeroes – Part 3 - Solved = USA Judged to be Murderers by God**

God left his fingerprint on American history and it went unsolved until a few years ago when God opened my mind to the code and solution. I am sad to report, I was compelled to finish the rest of it, that I only hinted at previously, and it is not good news for the USA. We have been judged murderers and the nation will be divided.

The fingerprint is known as The Curse of the Zeroes, basically a President elected to office in a year that can be evenly divided by 20 (hence Zero Curse) died in office:

http://en.wikipedia.org/wiki/Curse_of_tippecanoe

“The name Curse of Tippecanoe (also known as Tecumseh's Curse, the Presidential Curse, Zero-Year Curse, the Twenty-Year Curse, or the Twenty-Year Presidential Jinx) is used to describe the regular death in office of Presidents of the United States elected or re-elected in years divisible by twenty, from William Henry Harrison (elected in 1840) through John F. Kennedy (1960). Ronald Reagan, elected in 1980, was shot and survived; George W. Bush (2000) survived an attempt on his life unharmed.”

As for this:

“The only president who died in office without being elected in a "cursed" year was [Zachary Taylor](#), who was elected in 1848 and died in 1850”.

It is wrong! Taylor was elected in a zero year, as a vice president as in “tippecanoe and taylor too”!

His death was the part of the Thanksgiving punishment when first Harrison and then Taylor ignored Ms. Hale's letter.

You can't serve two masters *1

Matthew 6:24 (KJV)

“24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.”

The USA was comprised of the lost tribes of Israel, mostly Ephraim and Manasseh, that God scattered as promised for their idol worship and baby killing, then eventually put them here in a land of milk and honey. They should have remembered how they were treated by Egypt as slaves. They should have remembered what they mocked the King about in the Declaration of Independence, that their duty and goal was to promote Jesus throughout the land. As was set forth in the colony charters, except Georgia, and early State Constitutions.

Yet, that is what slavery was all about, mammon. You were suppose to let slaves go, especially your brother, after 50 years during the Jubilee period. The “black” slaves were mostly in laws through white Ham that

married into the blacks of Africa, these are still called Cushites in Kenya today, as an example. Many of these Cushites were sold into slavery by their own countrymen, northern Egyptian invaders, aka Kenites. An example would be the first Kenyan president was Egyptian and his name, before he changed it, meant “silent warrior” aka Kenite. Same race as the person Obama likes to call his “Kenyan father”. In Kenya these people are known as “Afro-Arabs”.

I refer you to an “Arab” that told the truth and was eliminated because of it.

► **TQO#198 – Words that killed Gaddafi and the Ambassador ([click](#))**

Gaddafi words that ended his life:

“Now ruling America is a black man from our continent, an African from Arab descent, ...He knows he is a son of Africa. Regardless of his African belonging, **he is of Arab Sudanese descent, or of Muslim descent.**”

So, the children of Satan (Arab Kenites) sold the black Cushites (in laws through Noah) into slavery to the Arab slave traders. This fulfills the words of Noah.

=====

Genesis 9 (KJV)

24 And Noah awoke from his wine, and knew what his younger son had done unto him.

25 And he said, Cursed be Canaan; a servant of servants shall he be unto his brethren.

26 And he said, Blessed be the Lord God of Shem; and Canaan shall be his servant.

27 God shall enlarge Japheth, and he shall dwell in the tents of Shem; and Canaan shall be his servant.

=====

So, Satan's children (Kenites) help sell into slavery the grandchildren of Noah through Ham/Canaan to Noah's grandchildren of Japheth and Shem. This is what God meant by :

=====

Genesis 3:1 (KJV)

3 Now the serpent was more subtil than any beast of the field which the Lord God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

=====

Who are the Cushites/Hamites today in America? From my observation these would be the stereotypical “black” people with fat lips, flat wide flared noses. The men tend to be short, stocky, strong, with thick strong hands. The women will be a bit taller, heavy set, pear shaped, heavy legs with wide hips. The men will have quick tempers (like their Irish brothers), the women will be excitable, though very nurturing and emotional.

As they are ruled over in Kenya by Arabs, so are they in the USA. How to identify an Afro-Arab, the best way is by actions, though it is as plain as the nose on their face. They have Jewish/Arab type noses such as Charlie Rangel and the “Rev.” Al Sharpton. Do, they know who they are? You be the judge.

<http://www.obamasucks.tv/docs/tqo89.htm>

Al Sharpton “White folks was [sic] in caves while we was building empires.... We taught philosophy and astrology and mathematics before Socrates and them Greek homos ever got around to it.”

Since he is not from China then that infers Egypt. This same type statement is what got Gaddafi killed.

Kenya in spoken Hebrew means Cain (Ken) our God (Yah) aka Kenites – See Strongs Hebrew #7017. They asked the British to be named this as in their oral tradition. In the FWIW category, the godless Supreme Court “Justice” lesbian from Obama (aka Barry Soetoro) **calls herself a Jew**, she is a Kenite too . Do an internet search for “King Kagen” kenite.

This is what Jesus meant by:

=====

Revelation 3:9 (KJV)

9 Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.

=====

FWIW: After the new covenant of the cross, a member of Israel is a Christian that loves Jesus, not someone that denies him, no matter what their bloodline is or the physical location.

Many today believe the Indians were one of the lost tribes of Israel, especially being “ruddy”. Many were converted to Christianity, Congress printed Bibles for them, Thomas Jefferson even wrote a condensed Bible for them. The result? America broke it's written treaties, unlike William Penn who lived in peace with the Indians on a hand shake and no weapons, and took their land. Worse in some places such as Georgia they took the property of converted CHRISTIAN Indians and treated them brutally. They did the same to free blacks. So, for the Indians we have The Trail of Tears among other things and the supposed “Curse of Tecumseh”. I use to think Tecumseh was nothing more then a pagan witch doctor, I may have been wrong, there is no way to find out after all these years if he was Christan or not with any certainty.

The “curses”, which I call judgments, were all God's doing because he was so displeased with the new USA. They did not honor him with a national Thanksgiving anymore and they made slaves of their brothers, broke written treaties, and once a new free mason nation, did not set the slaves free within 50 years, a Jubilee period. It was Manifest Destiny that the USA would be a great nation here. It is how that it was accomplished that was the heavy sin.

Imagine you are God, your chosen people who are suppose to bring their brothers to Jesus, call the blacks animals, racially inferior and from apes (though you all came from Noah's three white sons), treat them worse then live stock, steal their property while fornicating with them, and raping them. Then you cut off the feet and other body parts of escaped slaves or murder them in direct contrast to God's written rules on slaves.

This is what the Curse of the Zeroes is about from (1840 Thanksgiving) 1860-1960.

So, you have a reference, this page contains Bible Numerics and I have found it be be true, easy to read, and handy.

<http://biblenumbersforlife.com/tag/numerics/>

I am not a Bible “scholar”, so, I can not vouch for all the information on the above pages. But, I have read a few versions of the Bible cover to cover a few times, so, I do know the basic numbers and believe the above link to be trust worthy, as much as any man can interpret God's numbers.

Two years ago I saw some kind of connection between some of the Bible numerics and other numbers. As an old time machine language programmer, what I found out was that there are pairs of numbers where their hexadecimal equivalent is the compliment of them or the exact opposite. This computer code is the final key to solving the rest of the Curse of the Zeroes.

The Jubilee, when you are suppose to let slaves go, as an example since it is the key to solving the five deaths of the presidents by the sword that President Lincoln mentioned (250 years Lincoln mentioned divided by 50).

"Mary Had a Little Lamb" Sarah Josepha Hale spent 17 years imploring our leaders to acknowledge God with a national Thanksgiving, after not doing it for 40+ years. The Civil War started after the 40 year probation period was up for that and the 50 year period was up for the Jubilee. What John Brown did at Harper's Ferry not only was not sanctioned by God, it was doomed to fail because those 40 and 50 year periods had to pass for God's judgment.

20th REDEMPTION

hex\$ #14 **RIGHTEOUS**

An unsubstantiated rumor of an affair caused a brief friction in the Garfield marriage of which Lucretia graciously overlooked.[43]

Garfield made the following comment in 1862 concerning slavery: "...if a man is black, be he friend or foe, he is thought best kept at a distance. **It is hardly possible God will let us succeed while such enormities are practiced.**"

Garfield appointed several African-Americans to prominent federal positions. A year later, Garfield entered politics as a Republican, after campaigning for the party's antislavery platform in Ohio.

In 1858, a migrant freethinker and evolutionary named Denton challenged him to a debate (Charles Darwin's Origin of Species was published the next year). The debate, which lasted over a week, was considered as won convincingly by Garfield.[23]

1900 President William McKinley

25th PAYMENT FOR SIN

hex\$ #19 **FAITH**

A businessman in Youngstown, Robert Walker, had lent money to McKinley in their younger days; in gratitude, McKinley had often guaranteed Walker's borrowings for his business. The governor had never kept track of what he was signing; he believed Walker a sound businessman. In fact, Walker had deceived McKinley, telling him that new notes were actually renewals of matured ones. Walker was ruined by the recession; McKinley was called upon for repayment in February 1893. The total owed was over \$100,000 and a despairing McKinley initially proposed to resign as governor and earn the money as an attorney. Instead, McKinley's wealthy supporters, including Hanna and Chicago publisher H. H. Kohlsaat, became trustees of a fund from which the notes would be paid. Both William and Ida McKinley placed their property in the hands of the fund's trustees (who included Hanna and Kohlsaat), and the supporters raised and contributed a substantial sum of money. All of the couple's property was returned to them by the end of 1893, and when McKinley, who had promised eventual repayment, asked for the list of contributors, it was refused him.

19 FAITH

Religiously, the family was staunchly Methodist and young William followed in that tradition, becoming active in the local Methodist church at the age of sixteen. He was a lifelong pious Methodist

Relatives and friends gathered around the dying man's bed as Ida McKinley sobbed over him, stating that she wanted to go with him. "We are all going, we are all going," her husband replied. "**God's will be done, not ours.**"

By some accounts, those were his final words; he may also have sung part of his favorite hymn, "Nearer, My God, to Thee".

My note: One of our most righteous presidents.

29 Number 29 HOLY ONE(S)

It was Harding who first used the phrase "Founding Fathers," including it in his keynote address to the 1916 Republican National Convention.

1D - 1 UNITY: Beginning

He was "the harmonizer", declaring that a "righteous mean" could always be obtained on an issue.

Republican Senators and other leaders, who were divided without a singular political boss, met in Room 404 of the Blackstone Hotel in Chicago and after a nightlong session, tentatively concluded Harding was the best possible compromise candidate. According to Francis Russell, though additional meetings took place, this particular meeting came to be known as the "smoke filled room".[72] Before receiving the formal nod, Harding was summoned by George Harvey, told he was considered to be the consensus nominee, and asked if he knew, "before God", whether there was anything in his life which would be an impediment. After mulling the question over for some minutes, he replied no, despite alleged adulterous affairs.

Harding ran on a promise to "Return to Normalcy", a seldom-used term he popularized, and healing for the nation after World War I.

President Harding's sudden death led to theories that he had been poisoned or committed suicide. Mrs. Harding's refusal to allow an autopsy on President Harding only added to the speculation.

20 REDEMPTION/Generation

As for generation maybe it is this: As Allen Drury later said, "so ended an era, and so began another."

I "believe" it is these three things:

#1 "When World War II broke out in 1939, Roosevelt rejected the Wilsonian neutrality stance and sought ways to assist Britain and France militarily."

#2 " In July 1941, after Japan occupied the remainder of Indo-China, he cut off the sale of oil to Japan which thus lost more than 95 percent of its oil supply. "

My personal note: What the Japanese did to China and Korea was horrible. In one Chinese city the Japanese raped and killed 200,000 women and children and I have watched while the Japanese soldiers threw babies up in the air and laughed as they came down on bayonets.

My personal note: Pearl Harbor Dec 7th 1941 happened exactly seven years after the Japanese ambassador stated Japan would never attack the USA! Read my earlier column on the same recent Chinese statement.

Though, for redemption, being a personal thing, maybe FDR might have found redemption on his death bed for all the bad things he did and supported. Considering the Curse of the Zeroes was about 250 years of slavery, I would heavily weigh this if I could only pick one.

#3 African-Americans and Native Americans fared well in two New Deal relief programs, the Indian Reorganization Act and the Civilian Conservation Corps. Sitkoff reported that the WPA "provided an economic floor for the whole black community in the 1930s, rivaling both agriculture and domestic service as the chief source" of income.

A World War II hero on PT-109, who suffered greatly from a bad back. "Ask not what your country can do for you, ask what you can do for your country". JFK was looked upon as the "hope" president around the world.

His extreme adultery was probably his death and punishment.

1980 President Ronald Reagan

40th SEVERE TEST/Probation period

hex\$ #28 **CHRIST IN YOU: GOD IN YOU**

For those that remember living through Jimmy Carter and his 21% interest rates, high gas prices, gas rations, unemployment, bad moral, and bad economy, it was a severe test for President Reagan to inherit. Especially dealing with the democrat Congress. Unlike Obama, President Reagan did not spend his 1st four years blaming his predecessor. President Ronald Reagan killed the evil empire with SDI, without a world war.

President Ronald Reagan was our probation president to get right with God. The Mexico Accord against abortion from President Reagan, Obama rescinded. God blessed President Reagan and his works.

My favorite quote of President Ronald Reagan sums up #28

“Within the covers of the Bible are all the answers for all the problems men face”

1988 President George H.W. Bush

http://en.wikipedia.org/wiki/George_H._W._Bush

41st MAN'S RULE(S)

hex\$ #29 HOLY ONE(S)

Many people can recognize our country went down hill fast after Reagan. Now, we start under man's rule, the 120 year period/generation/probation of God's guidance is over, from 1860-1980.

Many people call the generation that fought World War II the “last” or “great” generation. President Bush was a WWII pilot shot down in the Pacific by the Japanese and rescued by a submarine, at great risk. The two other men with him died. He was the last President of the “holy ones” aka “great” generation.

If you want to see God's hand in WWII, then study the Battle of the Bulge and the prayer General Patton handed out and what happened afterward. The Battle Of Midway is another example of exact timing and how indecisive the Japanese commanders became, that cost them the battle and the war.

As for generation.

This is the part of the parable of the fig tree Jesus told you to learn. In 1948 the second fig tree was planted by God when Israel became a nation for a 2nd time. All the presidents following will be born close to or after the second fig tree with the good and bad fruit. Satan comes back before that generation passes. There is a deeper meaning of the fig tree with how it reproduces which among other things, disproves evolution and what kind of fig you should not eat and which “wasp” seeds you should not swallow (want to know what Adam and Eve did in the Garden of Eden with Satan ...)

It is a “delusion” the world is given to think that Jerusalem is Israel, so the false messiah is put there to be “Israel” to the world (rapture me ... NOT), when you are not really a “Jew” unless you believe in the only begotten son of God (aka Israel aka Jesus Christ).

I suggest you read all of Luke 21 if you want to know what is going on today in the world.

Speaking of which, did you know Obama is the 1st president elected to office, born after the planting of the 2nd fig tree (Israel 1948)? How is our 1st fig tree (2nd fig tree) president working out for you and the world?

=====

Luke 21 (KJV)

29 And he spake to them a parable; Behold the fig tree, and all the trees;

30 When they now shoot forth, ye see and know of your own selves that summer is now nigh at hand.

31 So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand.

32 Verily I say unto you, This generation shall not pass away, till all be fulfilled.

33 Heaven and earth shall pass away: but my words shall not pass away.

=====

When will Satan return as the false messiah?

Before “this generation” passes away. A generation/period can be 20, 40, 50, 70, 120.

So, from 1948 that would be BEFORE:

1948+20 = 1968

1948+40 = 1988 Bush elected

1948+50 = 1998 see my 1998 Clinton letter below about generations

1948+70 = 2018

1948+120 = 2068

The reason I believe it is #70 is because of how #70 is used throughout the Bible and when Abraham was born, plus, everything we are seeing happening in the Middle East.

Please reference the Companion Bible (last written in 1923? by someone the believed in the FALSE rapture deception) Appendix 50, page 50.

“**1948** (years) From the creation to beginning of Terah (**70**)”

God planted the 1st fig tree, Terah, 1948 years from “the creation”. He in turn 70 years later had Abram who ended up being the father of Israel.

=====

Genesis 11

26 And Terah lived seventy years, and begat Abram, Nahor, and Haran.

32 And the days of Terah were two hundred and five years: and Terah died in Haran.

=====

When Israel entered Egypt, it was with 70 souls, when they left Egypt, they rested under 70 palm trees.

=====

Exodus 15:27 (KJV)

27 And they came to Elim, where were twelve wells of water, and **threescore and ten palm trees**: and they encamped there by the waters.

=====

I voted for Ross Perot twice when the national debt was “only” \$5.9 trillion. Thanks to the so called “republicans” and DemonOrats it is now \$17,000,000,000,000. Not counting the \$2.5 trillion they stole from Social inSecurity. The Lord of the Flies is in president #44, the New World Order and Satan's one world government can not be far behind. I do not think the world will make it even close to 2018, before Satan returns in his own body, in Jerusalem, as the false messiah. Which brings us to ...

To: Senator John Kerry

“I believe God “shed his grace on thee” and **I believe we should deeply fear the immediate and future consequences of allowing a leader to stay in office that lies under oath in front of God.** Not only for incurring God’s wrath as a country, but, for the moral decay and rot it sows for us and future generations.”

BONUS POINTS !

Bonus points for Obama for picking Kerry to be Sec. Of State, after Mrs. Clinton, that ignored this letter about President Clinton, and ran against Bush. “Massachusetts Senator John Kerry. Kerry and other Democrats attacked Bush on the Iraq War, and accused him of failing to stimulate the economy and job growth.” What you call Obama must laugh his behind off everyday at his cleverness.

43rd HUMILIATION

Humiliation

Where to start?

WMD, Afghanistan, Iraq, Katrina, TARP, 9/11, having Obama kill Bin Laden.

Obama blaming Bush for everything for four+ years, including to your face when invited as a guest, and then picking Kerry for Sec. Of State. Bush does \$700 billion for TRAP ... I mean TARP, saves \$350 billion for Obama to spend any way he wishes, after Obama/McCain sat in on the planning. Then blames you after that and the StimUwaste fails. I think that explains humiliation enough.

Personal Note: Thank you for serving with grace. I do not think you or your father ever took the loss of US troops lightly. The WMD was all about the word of God and Saddam rebuilding Babylon.

It is very specific too. The bat is #44, but, do you know the only bat with 44 chromosome pairs is the VAMPIRE bat. How do they kill their victims? By numbing the victims with saliva while they are asleep, infecting them with the rabies virus so the victims foam at the mouth and act crazy while uttering nonsense., while sucking them dry. So ... how is that black lives matter issue working out for America? How is Obama's hope and change working? How is that \$20,000,000,000,000+ in debt and ISIS working out for you?

#153th verse *02

16 And I have heard of thee, that thou canst make interpretations, and dissolve doubts: now if thou canst read the writing, and make known to me the interpretation thereof, thou shalt be clothed with scarlet, and have a chain of gold about thy neck, and shalt be the third ruler in the kingdom.

17 Then Daniel answered and said before the king, Let thy gifts be to thyself, and give thy rewards to another; yet I will read the writing unto the king, and make known to him the interpretation.

19 And for the majesty that he gave him, all people, nations, and languages, trembled and feared before him: whom he would he slew; and whom he would he kept alive; and whom he would he set up; and whom he would he put down.

20 But when his heart was lifted up, and his mind hardened in pride, he was deposed from his kingly throne, and they took his glory from him:

25 And this is the writing that was written, Mene, Mene, Tekel, Upharsin.

“A:”

26 This is the interpretation of the thing: Mene; God hath numbered thy kingdom, and finished it.

“B:”

27 Tekel; Thou art weighed in the balances, and art found wanting.

“C:”

The final solution (this one) to the Curse of the Zeroes was solved 153 years after it was started. This is why 1840 is left out in the Curse of the Zeroes, that was because of the self-righteous president (with his words approaching Nebuchadnezzar's pride) ignoring Thanksgiving and the Jubilee period had not passed yet (1791 Bill of "Rights"+50=1841).

How I interpret this division. For the relatively small number of slaves and Indians, blood was repaid drop for drop, and that resulted in 600,000 dead from a Civil War/division. Probably worse than a bloody Civil War is to have 40-60 million fall and worship the anti-Christ as Jesus, that means death to soul and body.

America for 40 years of abortion, the 1st degree murder of 40 million+ innocent souls, in direct violation of Luke 1:36- Luke 1:56, one of the most beautiful places in the Bible, your judgment and sentence is this:

Added 20160829: Some things that have passed. Congress's own stenographer delivered a message to them that God will not be mocked (3x). God is killing Congress. God has shown me how he divides the USA (part 4) and what the whore of Babylon is (part 5). We now have two people from NYC running for president, how should I describe them?

What did former Sec. Of State Colin Powell, her friend, say about Mrs. Clinton in his leaked e-mails?

"I would rather not have to vote for her, although she is a friend I respect. A 70-year person with a long track record, unbridled ambition, greedy, not transformational, with a husband still dicking bimbos at home (according to the NYP)." ... "everything HRC touches she kind of screws up with hubris," and mentioned that a university cancelled a speech he had been invited to give because Hillary "so overcharged them they came under heat."

"unbridled ambition, greedy, not transformational, screws up with hubris, overcharged them " What a great description of a money grubbing whore for Mrs. Clinton !

Then we have the parabolic king of Babylon (Donald Trump) running for POTUS, that has declared "I love God. I love my church.". With the whore (Mrs. Clinton) and King (Donald Trump) running for POTUS, this is going to be an interesting election and probably the most meaningless and worthless of all !

If you want to know what is about to befall the USA and the world, I suggest II Esdras and the Book of Enoch as Jesus spoke about it, and how it would be as in the days of Noe (Noah).

The USA has been living Bible numerics since the founding of the nation. *01

So, it is not surprising it dies the same way.

It is homosexual marriage and abortion that kills the whore of Babylon and God's written word shows how God divides Babylon (aka USA).

Let me state I am no prophet, you do not need one! I am just going to explain what your blind so called spiritual and political leaders refuse to tell you, even after they have been told the truth ! How your probation period is up and God's wrath is about to destroy this nation coast to coast.

The first white settlers of the USA were from mainly two tribes of Israel, with a “Jew” from Judah sitting on the throne until the return of Jesus, as God promised King David. Currently this person is called Queen Elizabeth. This is why the Kenite Obama hates her and Britain. This is where Jeremiah ended up with the king's three daughters after Jerusalem was captured by Babylon. Even Mary, the mother of Jesus Christ, lived in Glastonbury.

As to our fall from the grace of God.

In August 1971 President Nixon killed the gold standard to borrow money from other nations to fund the Vietnam War, going against the free mason Constitution, God's word AND common sense.

Even after they were warned for years by US mail, e-mail, and phone, that the 40 year probation period was up in August 2011, Congress did **SEQUESTRATION** that month! **They mocked God.**

Roe vs. Wade Jan 1973

Luke 1:36-55 tells how the spirit of Jesus was placed into Mary's womb on Dec 25th when she mets Elizabeth within 24 hours of conception. For the record Dec 25th is the conception of Jesus, not his birth. Thank you to the Roman Catholic Church of Babylon for the confusion. This proves abortion is 1st degree murder. The 40

year probation period was up Jan 2013, many people were warned about this. The so called Republicans were pleaded with to bring this to the USA's attention on stage and to totally reject abortion for any reason. During ObamaCare they refused to let me to speak in their place on the Senate floor. When the 40 year probation period was up, God opened my mind to solve the mystery of what I coined (with intentional mis-spelling) “Curse of the Zeroes” .

► **Curse of the Zeroes – Part 3 – America Judged to be Murderers by God (click)**

Many people were mailed this by US mail and USPS priority mail!

For the record many people were contacted by US mail about **Deut 28:12** (borrowing) and **Luke 1:36-55** (abortion), how the probation periods of 40 years are up, and how these choices exalt man (CIA/FBI note that this is the #36 – my number) over God, and the reasons America will be destroyed. Some of the people contacted were:

- “republican” senators, including the 2 from Georgia

- “republican” representatives, including all from Georgia and many other states

- 600+ local Atlanta Georgia churches, mosques, etc found in the Yellow Pages of Atlanta

- almost all the so called Republicans (except Gov. Perry) that ran for president in 2010

- many mega church leaders and TV shows (I did Rush and Beck too – I listen to neither ...)

I suppose if I wanted to sell you a book (Ecclesiastes 12:12), or asked you to look into my eyes while you prayed to God, or charged money for information for your salvation, or charged money for information so you could survive America when it enters **it's next and last Civil War**, or asked you to send me money so I could pray for you, **THEN** you would listen to me!

I understand what the first John Brown meant in 1859, that they hanged for treason after he disobeyed scripture (Matthew 26:52):

http://en.wikipedia.org/wiki/John_Brown_%28abolitionist%29

On the morning of December 2, Brown wrote,

"I, John Brown, am now quite certain that the crimes of this guilty land will never be purged away but with blood. I had, as I now think, vainly flattered myself that without very much bloodshed it might be done."

As the USA paid for slavery, so will the USA will pay for abortion ! We did not just kill babies, we killed the children of God (Ezekiel 16:21) !

Jesus surely did foretell all things through the prophets, including about the last super power, aka USA.

BUT, your so called “pastors”, “fathers”, “reverends”, and other so called “spiritual” leaders refuse to tell you the truth. I could not even get pastors to read Deut 28:12, Luke 1:36-55, and the Book of Revelation to their sheep to warn them about how and why the USA is going to be destroyed, so people would have time to prepare, and to let them know why God is going to destroy the USA.

You know what the feel good response is? Something along the lines of “we are citizens of the world”. WHAT? It does not even make sense to offer that in a response to the question about why they refuse to read scripture in a church, but, that is the response you will get likely get, I say this from personal experience.

I could not even get a so called female “pastor” to read the Book of Ecclesiastes to comfort people dying of cancer at a hospital!

Out of contacting 600+ churches, basically the whole religion section of the Atlanta yellow pages, I think I was probably successful with maybe one to two pastors reading Luke 1:36-55 to their congregation and having a woman with a child **read it out loud to them**. Try it sometime yourself, it makes a BIG difference reading it out loud. One thing I found surprising is how out of date the street listings are in the yellow pages after getting so much returned mail from bad addresses.

Now for homosexual marriage in the USA and why Babylon is going to fall and be divided.

http://en.wikipedia.org/wiki/Same-sex_marriage_in_the_United_States

State laws regarding same-sex marriage in the United

<http://www.obamasucks.tv/graphics/homo-usa.jpg>

- Same-sex marriage legal
- Same-sex marriage not prohibited or recognized
- Same-sex marriage ban overturned, decision stayed indefinitely
- Same-sex marriage banned
- Same-sex marriage legality complicated^{2,3,4}

“More than 70% of the population live in jurisdictions where same-sex couples can legally marry.[4]”

The USA is composed of 50 states, what is 1/3 of that ? 16.## Count the red (remember the two upper reds are Michigan), purple, and brown states. There are 14, plus, the two territories = 16

States where homosexual marriage is illegal:

- Alabama
- Arkansas
- Georgia
- Kansas
- Kentucky
- Louisiana
- Michigan
- Mississippi
- Nebraska
- North Dakota
- Ohio
- South Dakota
- Tennessee
- Texas

the two territories are Puerto Rico and the Virgin Islands.

Now, to what Jesus foretold told you.

=====

Zechariah 13 (KJV)

8 And it shall come to pass, that in all the land, saith the Lord, **two parts** therein shall be cut off and die; **but the third shall be left therein.**

9 And I will bring the third part through the fire, and will refine them as silver is refined, and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, The Lord is my God.

=====

Now, think carefully, is there 1/3 of the USA in the above graphic, that does not support homosexual marriage, left “therein” ? Is over 2/3s of the USA population in states along the coasts, that support homosexual marriage?

THIS IS HOW THE USA IS DIVIDED:

“two parts therein shall be cut off and die”

Mistranslation ! It does not say two parts, it says “two mouths” in Hebrew !

Though you could say “two mouths” could refer to Hollywood on the west coast and NYC on the east coast, this is what the “two parts” aka “two mouths” mean:

<http://www.blueletterbible.org/lang/lexicon/lexicon.cfm?Strongs=H6310&t=KJV>

“parts” = Strongs H6310 – Peh

“d. mouth, opening, orifice (of a well, river, etc)”

In the above graphic of the USA, which two river mouths (two parts) border the homosexual marriage division?

Here is a link to a USA river map:

<http://www.enchantedlearning.com/usa/rivers/>

On the left the Rio Grande river and on the right the Chattahoochee river, are the two mouths that match the middle of the USA graphic with the 14 states that do not support homosexual marriage ! These two mouths (two parts) basically follow two natural mountain ranges with the RioGrande following the Rocky Mountains and the Chattahoochee following the Blue Ridge/Appalachian Mountains range.

“therein shall be cut off and die”

Within the whore of Babylon, aka USA, the two coasts are going to be cut off and die, while the 1/3 “**but the third shall be left therein.**”

The REAL kicker that proves it is these two rivers is ... the Chattahoochee river just barely goes through Georgia (no homosexual marriage) and avoids Florida (homosexual marriage).

https://en.wikipedia.org/wiki/Chattahoochee_River

“The Chattahoochee River forms the southern half of the Alabama and Georgia border, as well as a portion of the Florida border. It is a tributary of the Apalachicola River, a relatively short river formed by the confluence of the Chattahoochee and Flint rivers and emptying from Florida into Apalachicola Bay in the Gulf of Mexico”

“At Columbus, it crosses the **Fall Line** of the eastern United States.”

Every wonder what would happen when the man made Lake Seminole fails during a violent (10.0?) earthquake ? Do you wonder where the new “east” coast will be? Where is the “the Fall Line “ on the Chattahoochee River and where are the homosexual marriage states located on the east coast in relation to it?

Now, looking at the map above, you might say it is the Alabama River because it avoids Florida altogether, while including Georgia at it’s beginning, I will not argue that point. But, I know it is the Chattahoochee River, which ends at Florida, before it dumps together and is renamed and empties into the ocean. Either way, I would not buy vacation property in Florida because the state will not exist or buy a house in Georgia on the east side of the river.

The whore of Babylon’s state boundaries were set by God before our country was even founded by our free mason forefathers!

So, ABORTION and homosexual marriage is what killed the USA “super power” of the end times aka the whore of Babylon !

Our homosexual marriage, baby killing Babylon is going to fall soon and Congress is going to be one of the 1st ones to go. I would suggest staying away from NYC and away from the east and west coast, you might then live long enough to see the false messiah sit on the throne in Jerusalem and declare himself God. I suggest not being in Washington, DC between Dec 25th, to when whoever is sworn in Jan 20th 2017, to Feb 2017 (the date Obama has set to tempt Putin for a preemptive strike because of NATO troop deployment against his borders).

If you are faint of heart and have a delicate mind, this is not the thing to read.

On the other hand, if you want to know how God might view the USA, if you know when, where, and how the word “issue” is used in the Bible, if you know how God described Israel/Judah in their whoredom with foreign countries, before God scattered them to the ends of the earth (USA) for it, if you read the Book of Enoch and know what the fallen angels did to man and beast, and if you know what Satan did to both Eve AND Adam, then you should be okay with the following.

If you think it is the 1st time “we” (our family and forefathers) have committed such abominations in God’s sight, it is not. Though it will be the last time because God’s wrath is going to be completely poured out this time. 20 Moreover thou hast taken thy sons and thy daughters, whom thou hast borne unto me, and these hast **thou sacrificed unto them to be devoured.** Is this of thy whoredoms a small matter,

21 That thou hast slain my children, and delivered them to cause them to pass through the fire for them?

25 Thou hast built thy high place at every head of the way, and hast made thy beauty to be abhorred, **and hast opened thy feet to every one that passed by,** and multiplied thy whoredoms.

33 They give gifts to all whores: but thou givest thy gifts to all thy lovers, and hirest them, that they may come unto thee on every side for thy whoredom.

38 And I will judge thee, as women that break wedlock and shed blood are judged; and I will give thee blood in fury and jealousy.

Isaiah 3 (KJV)

4 And I will give children to be their princes, and babes shall rule over them.

5 And the people shall be oppressed, every one by another, and every one by his neighbour: the child shall behave himself proudly against the ancient, and the base against the honourable.

12 As for my people, children are their oppressors, and women rule over them. O my people, they which lead thee cause thee to err, and destroy the way of thy paths.

That being said, God has opened my mind to solve the “mystery” of the seven mountains for the whore of Babylon. I should have written it a while ago. I am going to go into long details and lay everything out. That way if I get killed tomorrow I can say you were fairly and fully warned.

I have been reading some books about the Bible and the parabolic meanings the prophets and Jesus used. Please note this how Obama mocks God many times, see my article on why he renamed Mount McKinley and why he flew his dog solo on Air Force 1! So I will try my best to use the parabolic meanings and give you “sight” pictures.

I just finished showing you who she is and explaining how we got EASTER aka Statue of Liberty and how it is tied into the Paris France terror attacks.

► **TQO#293 Paris France You EARNED the Friday the 13th terror attacks 11/13/2015 ! [\(click\)](#)**

The reason I think God picked me to solve this is because of how much the wickedness of abortion tears at my heart almost every day, and how much I hate the black genocide it causes. I go and hide away from people and cry into my food many mornings before 10:00 a.m.

You have no idea how deeply disappointed God was the USA picked Satan over him Nov 2008, when you elected him to office. As I wrote that day, even the birds knew it! I believe God removed his grace from America that day. The fact familicides are up 10x since Nov 2008 is just mind boggling. Not that anyone in the lame stream media has paid attention to my warnings about it.

You have no idea what so ever what the whirlwind feels like that takes liars away, it is so horrible you would not even wish it on Hitler. This is what is coming to you !

On the other hand, I have seen and heard the beautiful music birds make when they fly, it is a mathematical formula. Yet, I know the wrath of God is about to fall on this country and this earth, and it terrifies me. God showed me it when I was an prideful, angry, and sinful “agnostic” and about as far from a Christian you could be.

► **TQO#214 Dreams from MY father? My 1984 vs. BHO's fake LFBC [\(click\)](#)**

Since, I have been able to “solve” this with God opening my mind and no one else I know has posted about it on-line, here is my opinion. Destruction is a year or so away, since I “believe” Obama (aka Satan) will serve his term and whoever wins 2016 will serve a month or less.

Know this, your blood is on your own head if you do not move from the east and west coast, God -IS- killing Congress, I know because he showed me. NYC is getting wiped off the face of the earth forever with it's free mason pagan idol (aka Statue of Liberty).

As badly as I have wanted God to tell me directly that he loves me, the only thing I can remember either God or Jesus saying is this one word that came out of Jesus's own mouth that meant this:

► **TQO#259 Congress: God is ending your idol worship – get ready for hell** ([click](#))

“I do not know you”

I am not upset God is killing Congress, the traitors to God, Jesus, and country have deserved it since they passed ObamaCare on Christmas Eve. What I found unsettling is the two “devout” Roman Catholic relatives close to me that I “thought” I loved, standing in hell, and then Jesus denying them. Very unsettling.

America, you THINK you know Jesus, you do not.

If you have kids, now is the time to hide their eyes, because this is graphic adult talk coming ...

Basically, what I describe is the same as Eze 16, quoted above, **EXCEPT**, we have now exceeded Sodom as God predicted! SO ...

WHAT IS A WHORE AND WHAT DOES SHE/HE DO ?

To start this off, I want to point out how people refer to feminine homosexuals as “queens” that take it up the bum ... I will tie this to scripture in a few lines.

#1 All a whore cares about is money, she will say the sweetest things to get paid, to feed her face, and to get her drugs.

HPV-Associated Anal Cancer Rates by Race and Ethnicity

<https://www.cdc.gov/cancer/hpv/statistics/anal.htm>

Basically, the HPV disease you could nickname the drooling dog disease. It was basically unheard of 30-40 years ago and very rare.

How does it get to the anus? By putting “something” in your mouth from someone else and then putting “something” in your anus. This is what killed Farah Fawcett, the original Charlie’s Angels.

#2 She will gladly take it up the bum, as long as she gets paid, no matter how painful. Then you have to ask yourself, what kind of man pays to stick it into a woman's bum instead of her vagina?

#3 She can be dripping semen and blood discharges from between her legs, infecting people with deadly diseases leading them to death, and all she cares about is getting paid.

The blacks refer to the “bi-sexual” men as being on the “down low”. Go check the CDC data, anal cancer was almost unheard of 30 years ago, now we have 4000-5000 cases a year with 1500-1700 of them men. The vast majority of these cases are caused by men sticking their penis unprotected where it should not go and transferring the HPV virus into ripped anal tissue.

If you have had the pleasure of talking to girls/females of the younger generation you will find they want to remain “virgins” and not to get pregnant, so, when their boyfriends pressure them, they see no problem with taking it up the bum instead of in the vagina, unprotected of course.

According to the CDC data, do you know who the most at risk group for HIV/AIDs is now? Not the white limp wrist queen like Richard Simmons, NO, it is the Black women, followed by Hispanics. Why? Black guys, usually college age and in high school and college, that do both guys and girls! They do them up the bum !

Now, “queens”, male whores, take it up the bum too for a price. From the Old Testament to the Book of Revelation, the word “dog” is used to paint you a picture of how a male takes it up the bum from another male, like two dogs (male and female or male and male). Yes, a dominate male dog will hump a lower caste dog to assert his place in the “hood” or prison.

=====

Deuteronomy 23:18 (KJV)

18 Thou shalt not bring the hire of a whore, or the price of a dog, into the house of the Lord thy God for any vow: for even both these are abomination unto the Lord thy God.

Revelation 22

13 I am Alpha and Omega, the beginning and the end, the first and the last.

15 For without are **dogs**, and sorcerers, and **whoremongers**, and murderers, and idolaters, and whosoever loveth and maketh a lie.

16 I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star.

=====

What did God say how a whore acts and what happens?

=====

Proverbs 5

3 For the lips of a strange woman drop as an honeycomb, and her mouth is smoother than oil:

5 Her feet go down to death; her steps take hold on hell.

6 Lest thou shouldest ponder the path of life, her ways are moveable, that thou canst not know them.

(this line deserves a whole article just to translate the correct way – very deep when taken back to Hebrew!)

11 And thou mourn at the last, when thy flesh and thy body are consumed,

=====

Parabolic image coming up ...

The WHORE of Babylon (aka USA) gladly whores for money, while blood and semen drips down her legs (aborted babies) and she gets plugged in the backside filled with diseases (homosexual marriage SODOM states and anal cancer), as long as she gets paid !

You need further proof? How about the so called “republicans” funding Planned Parenthood -AFTER- we have them on video selling baby body parts and bragging about delivering undamaged heads to organ buyers, to buy new cars! The House and the Senate gave Obama everything he wanted. They deserve to die, they are traitors to God, Jesus, and country. Worse, we borrowed the money from China to do it, even after Congress was warned for YEARS they were making God angry doing it and why.

Deuteronomy 28:12 (KJV)

12 The Lord shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: **and thou shalt lend unto many nations, and thou shalt not borrow.**

Now, that you understand with a parabolic picture of what a true whore is, worthy of death, that does not care what gets stuck in any hole (mouth vagina or anus), or cares for God, as long as the whore makes money to feed her face and buy frivolous things, such as new cars with aborted baby heads, let us proceed to understand the scripture related to the whore of Babylon.

▶ Curse of the Zeroes – Part 4 – Zechariah 13 - what kills the whore (aka USA) of Babylon? ([click](#))

To solve this we have to start with Manhattan and President Lincoln's OWN words on the subject, which I wrote about years ago when God first opened my mind to solve the mystery of “Curse of Tippecanoe”.

=====

http://en.wikipedia.org/wiki/Curse_of_Tippecanoe

“The name Curse of Tippecanoe (also known as Tecumseh's Curse, the Presidential Curse, Zero-Year Curse, the Twenty-Year Curse, or the Twenty-Year Presidential Jinx) is used to describe the regular death in office of

Presidents of the United States elected or re-elected in years evenly divisible by twenty, from William Henry Harrison (elected in 1840) through John F. Kennedy (1960). Ronald Reagan, elected in 1980, was shot but survived; George W. Bush (2000) survived an attempt on his life unharmed.”

“ Reagan refused to approve a major dam project that would have flooded an Indian reservation, on the grounds that "we've already broken enough treaties with the Indians."

Oddly enough, the first President to be stricken by "the Curse," William Henry Harrison, held the record for oldest President at inauguration (68 years, 23 days) for 140 years, until he was finally surpassed by Ronald Reagan in 1981 (69 years, 349 days), the President who "broke" said "Curse."

=====

So, it started with our oldest president that screwed and murdered the Indians and ended with our oldest president that refused to do it. Is it any wonder why President Reagan was probably the president most loved by God and probably the only one that did not get a one way ticket to hell ? *01 You know who was probably proud of Reagan in heaven? William Penn the Quaker.

Congress and the presidents could not solve “ Tecumseh's Curse”, Ripley's could not solve “the Presidential Curse”, Jack Anderson could not solve the “Zero-Year Curse”, no one could solve “ the Presidential Curse” for 150 years.

Many men greater in people's eyes than me could not solve it, until God took a no one, sinful speck of dust, that was raised a liberal democrat atheist from Massachusetts, badly tested by Satan himself since he was 6 years old with the worse things to see including animal porno and physical abuse before I was even 11, that learned the most important words in the world that God wants to hear are “I love you God”, from a messenger God sent to him, which probably was Jesus himself. All because I gave someone I thought was a homeless man sitting in a gas station lobby on the floor \$5, when he asked me for it.

I had met two strangers in chance meetings tell me “out of the blue” that I reminded them of a pastor they knew, each about a year apart. Then the 3rd time I walked into a gas station to pay for my gas and a “homeless” guy sitting on the floor near the register asked me for some money, so I gave him a \$5 bill. Then he said something to the effect that I reminded him of a pastor to one of his pastors. Then we had a short talk about religion and how I had read the Bible cover to cover a few times and knew “the law”. I knew the 10 commandments from Exodus 20:6 forwards, backwards, and any order along with verses galore !

Then he asked me **“Have you told God you love him?”**

That was like a knife to the chest it hurt so bad. He looked at me waiting for me to say it and the worse thing was, not only had I never said it, I couldn't say it. With his prodding and eventually with a few tries I managed to stammer out “I love you God.”. What a defining moment in my life. I think I have a slight feeling how Paul felt on the road to Damascus when Jesus stopped him from kicking “against the pricks”. (Acts 26:14)

Knowing the law and scripture is one thing, knowing God and Jesus and being able to recognize him is a whole other thing. So, when I say this:

America, you THINK you know Jesus, you do not.

I mean it quite literally, I am not saying it because I am any better than any other sinner worthy of death, I am saying it because it is true and you are about to lose both your life AND your soul. God is furious with us !

Literally Selling the Family Farm

In 2010 in an attempt to save this nation my wonderful wife gave me permission to sell our farm, at a loss, which was 100% paid off, so I could use the money to save the USA. I quite literally sold the family farm, 30 acres of EOTW (End Of The World) property with a fresh water spring, a stream, and fishes, that I really loved and fought to keep, so I would have the money to run for Congress as an independent because I -HATE- the republicans almost as much as I hate the demonOrats !

Here it WAS:

<https://www.google.com/maps/place/Indian+Heights+Dr,+St+Albans,+ME+04971/@44.9215796,-69.3812485,516m>

The 30+ acres at the end of the cul-de-sac down a private 1600 foot road, one property back from one of the nicest lakes in Maine (1 mile wide x 4 miles long)

What was it I told her that convinced her to sell it too ? I told her I could not go, run, and hide to save my ass on my EOTW property, while my country crashed and burned around me, that I rather be broke and dead before doing that. How could I ever enjoy my property, knowing I turned my back on the USA, without giving it my best effort to save it. I cried a long time giving that up because what I dreamed about was a summer camp for inner city kids, where they could enjoy nature, learn some Bible, and having the 10 commandments on the front door of my final house.

Laying out under the stars in the middle of rural Maine on your own 30 acre spread is awesome.

By “chance” a year or so later, I went to buy a 1963 Jeep in the mountains of Georgia and as I am pulling into the driveway I see a big sign on the right side of the farm, near the gate, with the 10 commandments. Then I am talking with the farmer and find out he and his wife invite inner city kids out to the farm in the summer to learn farming, some Bible, and to get away from it all. Some of us are worthy of that honor and stewardship and some of us are not. God had different plans for me and I knew it not.

Why did I want to go to the cesspool of the USA, aka Washington DC? Because if I was elected, then it would officially be “my” House and I wanted to bless the capitol building (now “my” house) so the demon possessed (Obama and Congress) could no longer enter it.

► **TQO#212 – Christians - It is important you believe Pelosi's & the Clintons' words** ([click](#))

I spent the money warning 600+ churches (aka all the Christian places of worship in the yellow pages – also Muslims, Buddhists, Jews) by direct mail and seeking support. Thank you to everyone that never replied back including the mega churches in the USA, the “Christian” TV shows, the radio shows (Beck, Rush, etc.), FoxNews.com, and all the on-line “pastors” that say to write or call if you need help, then do not help or even

reply. Thanks for nothing, literally. I could not get anyone to properly acknowledge God and Luke 1:36-55 and Deut 28:12. No not even so called “pro-life” groups!

At least now, I understand why I failed trying to save the USA, it was condemned in the Bible already to the end time destruction. Unlike the 1st John Brown, I did not “take” the sword (Matthew 26:52) when I failed to wake the people,

=====

Matthew 26:52 (KJV)

52 Then said Jesus unto him, Put up again thy sword into his place: for all **they that take the sword** shall perish with the sword.

=====

(though that does not mean you should not arm yourself in a world that rejected Jesus (2nd amendment is a God given right)

=====

Luke 22 (KJV)

36 Then said he unto them, But now, he that hath a purse, let him take it, and likewise his scrip: **and he that hath no sword, let him sell his garment, and buy one.**

=====

I just kept on in a way I thought would please God planting seeds, and to justify his name and wrath.

“I love God. I love Jesus.” are the words I could not get ANY republican to say on TV or the House Floor. Remember that well! Oh, they say they “believe” in God, as does Obama, but, so do the demons that Jesus cast out into the pigs, that then ran themselves to death.

Now onto Manhattan, that cursed city.

If you do research on the Statue of Liberty you will find EASTER has seven rays on her head and it is suppose to represent the 7 land masses.

Let us touch on the other “7”

“This is New York City ! It even has seven parts which are: Manhattan (Curse of the Zeroes – part 1 and 2 – 1613 slavery - President Lincoln speech – 9/11 WTC), Bronx , Staten Island, Brooklyn, Queens, Nassau, Long Island.”

The seven rays represent #1 Manhattan #2 Bronx #3 Staten Island #4Brooklyn #5 Queens, #6 Nassau, #7 Long Island.

But, wait, it gets better yet !

Among its first settlers were Christiaan Hendriksen (who could be considered as a founder of New York City) and Jan Rodrigues the first black man to live in the city.

...

The economic activity brought in a wide variety of ethnic groups to the fledging city during the 17th century, including Spanish, Jews, and Africans, some of them as slaves.”

=====

SO ... the slave post President Lincoln referred to just happens to be where they built the World Trade Centers !

Frequently people **WRONGLY** think the city of seven mountains is the Roman Catholic Church of Rome because it sits on seven mountains and because of it's corruption, **BUT**, it has seen death, widowhood, and invasion many times, the last being World War II. Plus, people ignore Revelation 4, which is of things to come.

When John wrote Rev 17, they knew Rome and the seven hills, it was not a mystery!

Many people think it is NYC that is the city on the seven mountains that God wipes out that has spread it's wickedness throughout the world. But, the seven mountains are not there, but, in Albany New York. This comes down to one thing, is what you are reading, actually what you think you are reading?

Can you see the free mason statue of Lady Liberty from Albany or can you see the free mason Statue of Liberty from Manhattan?

From the Blue Letter Bible on-line, one of the best sites on the Internet for research. What does it say the seven mountains are ?

Rev 17:9

And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.

- > THIS IS DESCRIBING 09/11/2001 !

- > WTC01 to WTC07 being knocked down, what the whore of Babylon sits on for power ! The heads !

heads Strong's G2776 - kephalē

feminine noun

Root Word (Etymology)

From the primary kapto (in the sense of seizing)

the head, both of men and often of animals. Since the loss of the head destroys life, this word is used in the phrases relating to capital and extreme punishment.

=====

Now, Pastor Arnold Murray said that the newer Strongs was corrupted by the Kenites on purpose, just as the NIV is, to hid the truth of God's word on purpose. Which is why SCN offered the older “unrevised” printed edition. I am about to prove him correct !

Plus, as I have said before, though the New Testament is written in English, translated from Greek, when looking at what was really said, you have to ask yourself, in what language was Jesus speaking walking around in the middle of Jerusalem, to his followers.

Do you really think all the Hebrews from Israel following Jesus around, including the fishermen and tax collectors spoke Greek, when they were under Romans that spoke Latin? What languages were on the sign above the cross? When Jesus was hanging from the cross and repeating word for word Psalms 22, do you think he was speaking it in Greek? You have heard the phrase “it's Greek to me” .

Do you think Jesus would sow that kind of confusion among his followers? When Jesus is talking to his own birth mother while hanging from the cross, what language was Jesus speaking? Luke 1:36-55, probably the most beautiful words in the Bible, that so called “pastors” refuse to read to their sheep on “Christmas”, do you really think Elizabeth spoke them to Mary in Greek? Really? Elizabeth a woman married to a Levite priest serving at the temple was not speaking Greek to a fellow Hebrew! So when you read the New Testament and come across something uncertain you have to say, what was the intent in the original language or Hebrew which was the spoken language most people were using in the New Testament.

So, in Greek the “seven heads” REPRESENT seven female cornerstones “relating to capital and extreme punishment.” A cornerstone is what you use to raise a building, usually the first and best block because if it is off, so is the whole building and foundation. It is “squared” up to the lot.

Please note the free mason symbol is the builder’s “square”.

mountains

Now, look at the older printed Strongs and the newer on-line version. What words were left out in the newer versions?

Mountain (as lifting itself above the plain)

It is a description, not a noun.

So, to properly describe this sight picture John was seeing is “seven female cornerstones lifting itself above the plain”

http://en.wikipedia.org/wiki/World_Trade_Center_site

Which are/were the World Trade Center 1, WTC 2, WTC 3, WTC4, WTC 5, WTC6, WTC7

Now, here is where you have to have understanding, what “mountains” would John have used in describing this scene orally to his students, a scene of destruction and death of the heads, who would later write it in Greek ?

=====

Ye mountains of Gilboa, let there be no dew, neither let there be rain, upon you, nor fields of offerings: for there the shield of the mighty is vilely cast away, the shield of Saul, as though he had not been anointed with oil.

=====

Where the shields of the mighty vilely cast away, when those Muslims crashed the airplanes into the two WTC buildings, which ended up destroying all seven of them? Our worse attack since World War II ?

Was it an act that felt like God was no longer protecting the country “as though he had not been anointed with oil.”. Jesus is the anointing oil. Same as the 11/13/2015 terrorist attacks in Paris, France? France's worse attack since World War II ?

What do the 7 mountains look like when beheaded?

The seven (strong male - maybe as an erect penis) mountains lifted above the plain (WTC01 through 07)

your shields (military, law enforcement, free mason rules, paper and money) of the mighty (the rich traders of the world) are vilely cast away.

Do you remember all those papers floating down ... which fueled the fire? Then once the "heads" or upper floors of the buildings were cut off in waves of fire. The mounts fell into mountains of Gilboa.

Swollen heaps of stone (concrete) over dead bodies, the waves (fig.) of chastisement of Jehovah as each floor fell upon each other !

Though I added this bit back in August 2016 to the “Curse of the Zeroes”.

“Added 20160829: ... two people from NYC running for president, how should I describe them?

With the **whore** (Mrs. Clinton) and **King** (Donald Trump) running for POTUS, this is going to be an interesting election and probably the most **meaningless** and **worthless** of all ! “

Surprise, surprise, surprise, Donald Trump wins, what a shock! Not really ... in Revelation 17 does the whore of Babylon get defeated by the King of Babylon (Satan)? The answer is yes, so, was Donald Trump’s HUGE win over the whore of Babylon (Clinton) such a big surprise? No, not really at least for me.

I recently went through this link and thought it might be enlightening to a few people, so, I am including it here. It better explains the Statue of Liberty and what adorns NYC harbor and the capitol building.

Whatever you do, no **-NOT-** send money. Imho, A true prophet or messenger of God would never insist on charging you money as a condition for your salvation for any reason. As examples, Jesus did not, the apostles Jesus sent, he sent out without their money bags, Paul worked for his living and made a point about how he supported himself and asked for nothing, and even the stenographer did not, in fact she GAVE money by being fired !

Now, that the USA did not end on our pagan calendar date of 2017-01-01, they keep delaying the SHTF date to “sometime” in 2017 ... to rack in more money of course. A bit whorish, no?

http://survivetheenddays.com/noo_i3_t/

The rest of part #6 that I wrote previously, follows, so excuse the past tense. This is so you can understand the disaster and destruction that is about to fall on the USA and why. I encourage you to leave the homosexual marriage states and the east and west coast because that is exactly what God’s written word tells you to do !

=====

#1 - The first thing I want to make clear is God has already chosen the “winner” and nothing will change that, no matter what I or anyone else says or does.

#2 – The New World Order will soon get their NWO, and nothing will change that, no matter what I or anyone else says or does. Though it will not come in or end as these Satan worshipers wish and imagine.

#3 – The USA has become a true enemy of God and will soon be destroyed and invaded, no matter what I or anyone else says or does.

#4 – The Curse of the Zeroes is suppose to be called to your attention, with numbers, and the picking of these two candidates !

I had asked God a few questions and have not received an answer yet. They are as follows.

#1 - It was basically, does the Curse end with #44, after the 3 divisions (2a Clinton, 2b Bush #43, 2c Obama #44) with the USA somehow destroyed, because #45 means life giver (aka Jesus) or is God’s hand taken off us (blessings of Israel) and we are allowed to blindly go to hell, literally.

=====

Genesis 48

16 The Angel which redeemed me from all evil, bless the lads; and let my name be named on them, and the name of my fathers Abraham and Isaac; and let them grow into a multitude in the midst of the earth.

19 And his father refused, and said, I know it, my son, I know it: he also shall become a people, and he also shall be great: but truly his younger **brother*** shall be greater than he, and his seed shall become a multitude of nations.

(* Ephraim aka USA)

=====

Because the three divisions are basically the writing on the wall, when the kingdom of Babylon was destroyed and taken from the king that mocked God, Congress’s own stenographer warned Congress, God will not be mocked three times !!! I know someone is suppose to come after Obama (Rev 17), but, is he elected or does he arrive by force, or by flatteries?

#2 Because of Bible numerics, I suspected there might be an 8th president to die in office, which was in the earlier version (non-book) published.

#3 Will God allow the numerics of the “Curse of the Zeroes” be undone between Presidents Harrison and Reagan?

#4 Can we at least end our country with a leader that loves God? This was more of a plea and wish than anything else!

Now follows the explanation of our fate, but, first the back story of our founding, in the Bible, covered a bit more in depth so you understand how we are at the end.

Pagan Liberty, our much touted “melting pot”, and homosexual rainbow - what does God think?

How about we cover our \$20,000,000,000,000+ in national debt, ½ of that done under Obama?

Deuteronomy 28:12 (KJV)

12 The Lord shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: **and thou shalt lend unto many nations, and thou shalt not borrow.**

What does GOD think about (white, ruddy) Ephraim’s “melting pot” represented by our pagan Statue of Liberty, in NYC harbour?

Hosea 7 (KJV)

What do you get when you have a cake not turned? (aka not mixed properly) A big lumpy mess, with great ugly tasteless divisions, when heated in an oven it burns, and gives a foul taste in the mouth.

Besides the DemonOrats booing the mention of God at Hillary’s DNC, did I mention how many USPS priority letters I sent trying to get the so called “republicans” to properly ackowldge God on stage during ANY debate, including the primaries? Plus, Romney was sent at six of them (2 before 3 debates) before the Obama debates and I sent Donald Trump four of the them along with the Curse of the Zeroes booklets.

God said in the Old Testament that Israel relying of Egypt was like leaning on a sharp stick in the palm of the hand.

Hosea 7 (KJV)

=====

Just Google “What country is Assyria today”

https://en.wikipedia.org/wiki/Assyrian_people

“Their original homeland was thought to be located in the area around the Tigris and Euphrates. Today, the indigenous Assyrian homeland areas are "part of today's northern Iraq, southeastern Turkey, northwestern Iran and northeastern Syria".

they call to Egypt,

So ... how has Sadat and Jimmy Carter’s agreement worked out, besides Sadat being killed for it?

How has it worked out with our “former” friend of Egypt?

How has the Arab Spring worked out for Obama with his friends The Muslim Brotherhood now running Egypt? At least they gave Mubarak a nice jail cell ... after raping the news reporter ...

they go to Assyria.

How did Iraq work out for President Bush #43?

How did Iraq work out with Obama’s “early withdrawal” ?

Obama has quite literally raised up the locust army of Satan!

How has Syria and Libya worked out under Obama? We called to Egypt for their help, the country erupts in civil war and our so called “moderate” Arab/Muslim “friend” is removed. Obama gives a red line in Syria, what ends up happening? We go and bomb it, put troops/spies on the ground, yet Russia ends up being the top dog there.

Hosea 7 (KJV)

15 Though I have bound and strengthened their arms, yet do they imagine mischief against me.

=====

As President Lincoln noted, we are great through the blessings of God.

We have fled from God with homosexual everything (Lev 20:13), with our national debt (Deut 28:12), and most importantly we transgressed against God by the 1st degree murder of HIS children and innocent souls with abortion (Luke 1:36-55).

they assemble themselves for corn and wine,

=====

Hosea 7 (KJV)

16 They return, but not to the most High: they are like a deceitful bow: their princes shall fall by the sword for the rage of their tongue: this shall be their derision in the land of Egypt.

=====

their princes shall fall by the sword

What did Congress’s own stenographer say to them, before they dragged her off? That God will not be mocked, she said it three times.

As I wrote in Feb and March 2014, God showed me, God was going to cut off the hand of Congress , then killing them, and sending them through the front door of hell. Everyone from Obama, the IRS, FBI, ATF, SCOTUS, the UN, etc. has cut off the hand of Congress (their law) and made them useless. So much for the document written by the free mason and it’s power of “we the people” to save us when it could not even deliver us from Obama. Well, the good and bad news is there is no waiting 1,000 years for the lake of fire for Congress after God kills them!

So, in Iran where they call Israel “little Satan” and the USA “big Satan”, when God destroys this nation and kills Congress for mocking him (remember the stenographer’s message?), do you think they will celebrate, along with MUSLIM Brotherhood running Egypt, that we leaned on? Our bows (hi-tech weapons, anti-missile shield, nuclear weapons and ... nuclear air craft carriers) will not save us. The Muslims and Arabs will be mocking the USA and Jesus, as in if they can save others then why not save yourself and come off that cross?

Now unto Understanding Trump and Clinton inside the Curses

The “Curse of the Zeroes” , where presidents started to die in office that were elected in years ending in zeros, was 1840, starting with the death of President Harrison, who remained the oldest president elected to office, until President Reagan was elected in 1980, who also ended the OBVIOUS curse by not dying in office.

To understand the two current choices requires some background.

Here is what Congress’s own stenographer told them, after I warned Congress for years by e-mail, Twitter, Facebook, voice calls, letters, and priority mail, about when and why their probation periods would be up. They chose to mock God and ignore the warnings!

▶ **TQO#250 Deut 28 curses for dummies (mocking Congressmen) & Sen. Thune ([click](#))**

We do not know what the stenographer said on the House Floor, she does not remember and we have no audio, but, I have suspected it was from the Book of Daniel, which they mocked in ObamaCare! What is part of what the House’s own scribe (stenographer) said in the HALLWAY as they dragged her away ?

=====

" He will not be mocked, he will not be mocked. He will not be mocked.

The greatest deception here, is this is NOT one nation under God.

=====

Is there anything in scripture to prove her point about this is NOT one nation under God and NEVER was?

Satan and Jesus have 3 conversations in the Bible, think about this one:

=====

Matthew 4 (KJV)

8 Again, the devil taketh him up into an exceeding high mountain, and sheweth him **all the kingdoms of the world, and the glory of them;**

9 And saith unto him, **All these things will I give thee**, if thou wilt fall down and worship me.

10 Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.

=====

Did Jesus rebuke Satan that he was lying about being able to give him **ALL** the kingdoms? No, he did not, why?

Because Satan ends up running them **ALL**. That includes the USA, the whore of Babylon! The greatest deception of Satan is not that he does not exist, it is getting people to believe they are following God, worshiping God, and under his protection, when they are actually following Satan, worshiping Satan, and under his protection and rule, right into the lake of fire !

God will not be mocked !

With these two choices, YHVH has called your attention to the “Curse of the Zeroes” and his authority of scripture, AGAIN, to prove a point about how God will not be mocked and that God is destroying the USA and killing Congress ! That this is not one nation under God and that it never was, just as the messenger from God stated!

Now onto your 2016 choices for presidents

“William Henry Harrison, Sr. (February 9, 1773 – April 4, 1841) was the ninth President of the United States (1841), an American military officer and politician, and the last president born as a British subject. He was also the first president to die in office. He was 68 years, 23 days old when inaugurated, **the oldest president to take office** until Ronald Reagan in 1981.”

Please note this part well **“the oldest president to TAKE office”**

President Ronald Reagan was born February 6, 1911

“Hillary Diane Rodham born October 26, 1947

If Mrs. Clinton wins, she'd be nearly 69 years, three months old when she takes the oath of office. That would make her the second-oldest person to be sworn in—behind Ronald Reagan, who was a little more than 69 years, 11 months old when he became president in 1981”

If Mrs. Clinton (the whore of Babylon defeats the King of Babylon?) wins she will push out President Harrison from his place in the curse.

Do you know which president (**imho**) that God hated the most, BEFORE the USA elected Obama? President Harrison because he served the shortest term, barely a month, before God killed him, the man that declared how righteous he was in his own eyes !

Do you know which president (**imho*1**) that God loved the most? How about we start with this:

“Within the covers of the Bible are all the answers for all the problems men face.” - Ronald Reagan

What does President Reagan’s number mean in the Curse?

#40 Probation and hex\$ #28 **CHRIST IN YOU: GOD IN YOU**

Now if Donald Trump is elected, born June 14, 1946 (age 70), he would be the oldest person to be **SWORN** into office on Jan 20th, 2017 ! You are suppose to compare Trump to Reagan in the Curse!

What quote do we have from Donald Trump, which no other runner for POTUS, from either party has stated? **“I love God. I love my church.”**. We know from published news reports Donald Trump has been actively seeking advice about Jesus and how he should rule.

For what it is worth, unlike Clinton which hates God, **I think you could probably get Putin to say the same thing as Donald Trump!**

As I have said before, I think God has blessed Donald Trump’s hand from the very beginning just for this moment in time so he could be the King of Babylon. What did Donald Trump say during a 2016 interview? “I love God. I love my church.” Did you hear those words come out of anyone else’s mouth during the election season? “Christian” Ted Cruz during his filibuster did not even let one line of scripture pass his lips! What a Christian example he is!

If you read the Book of Daniel, which Congress mocked in ObamaCare, you will note despite his pagan beliefs and building idols of himself for people to worship, the King of Babylon praised God and honored him !

=====

Daniel 3 (KJV)

28 Then Nebuchadnezzar spake, and said, Blessed be the God of Shadrach, Meshach, and Abednego...

29 Therefore I make a decree, That every people, nation, and language, which speak any thing amiss against the God of Shadrach, Meshach, and Abednego, shall be cut in pieces, and their houses shall be made a dunghill: **because there is no other God that can deliver after this sort.**

=====

What did another King of Babylon say after Daniel was rescued from the lion’s den?

=====

Daniel 6 (KJV)

25 Then king Darius wrote unto all people, nations, and languages, that dwell in all the earth; Peace be multiplied unto you.

26 I make a decree, **That in every dominion of my kingdom men tremble and fear before the God of Daniel:** for he is the living God, and stedfast for ever, and his kingdom that which shall not be destroyed, and his dominion shall be even unto the end.

What Does Trump's Promise Of A Nation 'Under One God' Really Mean?

<http://www.npr.org/2016/09/18/494367803/what-does-trumps-promise-of-a-nation-under-one-god-really-mean>

“Imagine what our country could accomplish if we started working together as one people, **under one God**, saluting one flag,” Trump said,”

What it means is you have three kings of Babylon Nebuchadnezzar, Darius, and Donald Trump honor and put the God of Daniel, YHVH, above all other Gods!

With the numerics from the “Curse of the Zeroes” you are suppose to draw a line connecting Clinton → to Harrison that LIED, committed grave sins, slaughtered innocents, and claimed how righteous he was in his own eyes, before God killed him for it!

You are suppose to draw a line connecting Trump → to Reagan who loved God and God loved him!

How should I describe the Whore of Babylon, Mrs. Clinton, and Congress?

=====

Matthew 23:27 (KJV)

27 Woe unto you, scribes and Pharisees, hypocrites! **for ye are like unto whited sepulchres**, which indeed appear beautiful outward, but are within full of dead men's bones, and of all uncleanness.

=====

In case you did not notice with the wikileaks e-mail dumps, Mrs. Clinton will do ANYTHING to get elected, including lying, destroying people, killing people, and part of that willing to do anything for money, includes lying to those people that "love" her that vote for her, while fornicating in truth with the corporations that feed her money past her filthy lips.

THE PERFECT WHORE

Mrs. Clinton represents perfectly the whore of Babylon. She can plastic up her face, botox her flesh, and wear pants suits to hide her fatness and grossness, but, she is so filled with corruption of her body she can barely waddle around and has to lean on a baby stool during a debate. Mrs. Clinton is slipping with both feet into the grave and as waves of corruption cover her head, she is still adamant about how great her health and morals are.

All she cares about is comfort, power, and money, she does not care about the lives she has destroyed in her quest for power or how many lies she has told in her quest for money or how many souls she has led to hell or which man OR woman with which she has slept. Mrs. Clinton would abort John The Baptist at six months (Luke 1:36) and Jesus himself at conception or birth itself! Mrs. Clinton has no love of God or Jesus, which is why she is so empty, angry, and bitter! The perfect whore for Rev 17 !

JUST IN ! (updated 2017-01-18)

Right from Mr. Putin himself, everything I just said about Mrs. Clinton !

<http://www.foxnews.com/politics/2017/01/17/putin-those-who-leaked-trump-dossier-worse-than-prostitutes.html>

““Prostitution is an ugly social phenomenon . . . but people who order such fakes, which are now used against the elected president of the United States, fabricate information and use it in the political struggle, they are worse than prostitutes,” Putin said, according to a translation by Sputnik News. “They have no moral limits.”

Which perfectly describes the whore of Babylon (Clinton and the USA).

We have Planned Parenthood on video describing selling the brains of fetuses they murdered so they could buy new cars for themselves! If that does not describe a lack of moral limits, I do not know what does!

By many estimates abortion doctor and murderer Kermit Gosnell killed close to 15,000 babies ! Some countries such as Russia having declining birth rates and are trying to encourage marriage the way God intended, while the whore of Babylon kills on average 3287 babies a day, 40% of them black when the population is 12-13% black. This is literally black genocide.

Russia and the Crimea

Then the USA cries big baby tears about how horrible Russia is by invading the Crimea. I have 1970s propaganda from when the Russian ships (destroyers?) visited Boston talking about the heroes of WWII and the Crimea. I have watched films produced during WWII about how much of a price Russia paid to take it back

from Nazi Germany. They literally fought without guns, they would wait until the guy in front of them got shot dead, then rush forward and grab his rifle to rush forward with the assault. This is one reason I regretted selling my Mosin 91-30s (one of them was a 1932 hex receiver!) because I became poorer in order to save the USA, before I knew we were the whore of Babylon, because it reminded me of our brother in law Edom's struggle against the Nazi. They really paid a high price to defeat Germany, compared to the USA.

Pervert Men in Womens' bathrooms

They make a big to do about allowing men, men with a penis and male chromosomes, being allowed to dress up and use the womens' bathroom across the USA, for their comfort and safety. Then what happens, the worse mass slaughter in USA history at the homosexual Pulse Nightclub in Florida, by a devout follower of Satan. Where do they go for shelter? Certainly not God, they go to their pervert bathrooms and hide in toilets where they are slaughtered while whimpering for mercy. Did Sodom return to God after that lesson? No more then her sister Gomorrah France did after the Paris attacks where the devout followers of Satan killed the literal Satan worshipers singing about French kissing him.

▶ **TQO#293 WoB to Paris France: You EARNED Friday the 13th terror attacks 11/13/2015 ! ([click](#))**

▶ **TQO#295 God's message to Dubai Sheikh Mohammed - NSA USA (WoB) - Israel Netanyahu ([click](#))**

So, I can understand why Russia wanted the Crimea back and the port, there is no understanding the slaughter of the blessings of God with abortion and allowing homosexual perverts into the bathroom of women, except we have fallen into a bottomless pit of "They have no moral limits." just as Hoover predicted we would if we allowed pornography to flourish in the USA!

How does God describe the whore?

=====

Proverbs 5 (KJV)

3 For the lips of a strange woman drop as an honeycomb, and her mouth is smoother than oil:
4 But her end is bitter as wormwood, sharp as a two-edged sword.
5 Her feet go down to death; her steps take hold on hell.
6 Lest thou shouldest ponder the path of life, her ways are moveable, that thou canst not know them.

=====

From wikileaks you now have proof in her own words and her advisors own words as to "her ways are moveable, that thou canst not know them."

God has given you **the perfect WHORE** of Babylon (Clinton) and **King of Babylon** (Trump) to vote upon in 2016, to be filled up with deception because this nation mocked God and ignored his warning delivered directly to Congress by their own stenographer!

=====

As I have said before, this letter to John Kerry in 1998 (3 x 666) is the reason Obama picked Clinton and then Kerry as Sec. Of State, Obama must laugh his behind off frequently at his cleverness !

▶ **TP#72 One of my letters from 1998 - a lesson in government ([click here](#))**

"Are we a nation of prostitutes?"

I watched the impeachment and President Clinton's speech afterwards. It boiled down to one thing, put the value of our money before the value of our morals. Should the economy and making money count more then moral values? It should not. **Have we sunk so far morally that we now mirror the prostitute described in Revelations? I hope not. "**

17 something years later I find out the USA is the prostitute described in Revelation!

If you pick Clinton, who perfectly paints a picture of the USA as the perfect LYING, dying, filled with corruption whore, with the sweet lips attached to a filthy mouth and filthy bodily deeds, you totally throw away all moral values with anything goes, no matter how perverted, she leads you to hell.

From the above letter of 1998 “**The most important reason to remove President Clinton is he has essentially thumbed his nose at God**, the American public, Congress, the Constitution, and the jury.” BINGO ! Mrs. Clinton, the witch of Endor, hits all of the above herself.

The witch of Endor? Oh wait, you did not know Mr. and Mrs. Clinton channel “Eleanor” (Roosevelt) and pass advice and messages back and forth from “her” ? Wonder what Eleanor said about the e-mails, maybe not to worry that everything will be alright?

If you pick Donald Trump, the King of Babylon, you “Should the economy and making money count more than moral values? “ Make America great again, build a wall for defense ... instead for seeking the best wall of all, the protection of God !

10 Hast not thou made an hedge about him, and about his house, and about all that he hath on every side? thou hast blessed the work of his hands, and his substance is increased in the land.

=====

Does this not sound like the USA? Is this not how the whore of Babylon is described, until God finally destroys her?

WICKED MOCKING CONGRESS

Congress was warned how ObamaCare designed by the democrats (DemonOrats) mocked our free mason Constitution, John Adams, and the Bible. I even gave line by line examples. I even pointed out how it was illegal under our free mason document. I even pointed out which parts would entirely eliminate employer health care insurance. I even pointed out the death panels found in the StimUWaste under Waxman’s district.

► **ObamaCare evils – the condensed version in .DOC format ([click](#))**

Did they warn you at all?

From about early 2010 to 2013, the so called “republicans” running for POTUS and in Congress were warned many times by voice, e-mail, US mail, and priority mail about how they were violating God’s laws and word. Mostly Luke 1:36 (abortion) and borrowing (Deut 28:12). The so called “republicans” would not let me read scripture on the floor in their place during ObamaCare.

Both the House and Senate were warned how Nixon violated Deut 28:12 with killing the gold standard and borrowing from other nations for the Vietnam War (that turned out well ...) in August 1971. They were warned the 40 year probation period was up in August 2011. What did they do? They mocked God with sequestration on the 40th year of probation even though they were clearly warned not to do it !

Stenographer

After spending years trying to get a so called “republican” to say six simple words on the House floor or debate stage, to honor God, what happens? Congress’s own stenographer delivers a message to them on the House floor and in their hallway. Congress’s own stenographer was the 1st one to “praise” God properly. Did you know the first person to “praise” God in the Bible was a woman?

▶ **TQO#249 Stenographer Dianne Reidy House Floor – 2nd warning from God ([click](#))**

“The first person in the Bible to “praise” God was a woman, Leah when giving birth to Judah.”

So, this time in the House of Israel (Ephraim aka USA) a woman is the 1st one again!

What did the stenographer say about God, three times?

“He will not be mocked, he will not be mocked. Don't touch me. He will not be mocked.”

God surely will not be mocked by an individual or a nation without being punished, especially if they were warned for years not to do it , why they were mocking God, and went ahead and did it anyway !

Now, what did I say back in 1998, from the above link?

“Are we a nation of prostitutes?”

I watched the impeachment and President Clinton’s speech afterwards. It boiled down to one thing, put the value of our money before the value of our morals. **Should the economy and making money count more than moral values?** It should not. Have we sunk so far morally that we now mirror the prostitute described in Revelations? I hope not. “

It is far worse, we are the whore of Babylon and Obama is the Satanic idol it has worshiped !

▶ **“Curse of the Zeroes” - the Book of Judgments ([click](#))**

King of Babylon

It was obvious to me when listening to Donald Trump’s NY Republican speech, that God blessed his hand in everything he did, to bring him to this moment.

We now have the King of Babylon (NYC) Donald Trump promising to make America great again with great economic success (**“Should the economy and making money count more”**) . Donald Trump is promising to secure our borders and protect us from the illegal alien invasion. If all we will do is vote for him and support him. This is a type meant to represent the true end time king of Babylon, SATAN !

This is just the opposite of what God is going to do! God by his written word is going to destroy both coasts of the USA, where the Sodom states are that promote homosexual marriage, then we are being invaded by the most brutal of our enemies that are going to delight in destroying us !

Did you know one of the most moving statements of God’s power in the Bible from a man, is actually from the King of Babylon?

=====

Daniel 4 (KJV)

34 And at the end of the days I Nebuchadnezzar lifted up mine eyes unto heaven, and mine understanding returned unto me, and I blessed the most High, and I praised and honoured him that liveth for ever, whose dominion is an everlasting dominion, and his kingdom is from generation to generation:

35 And all the inhabitants of the earth are reputed as nothing: and he doeth according to his will in the army of heaven, and among the inhabitants of the earth: and none can stay his hand, or say unto him, **What doest thou?**

=====

We have Donald Trump on video in an interview saying “**I love God. I love my church**”. I challenge you to find ANY record of any Congressman or Senator saying on the floor of their house that they love God ! Even though I sent many letters, how many so called “republicans” said that during a debate? NONE Not that I did not try to prompt them to say it ! They actually did exactly the opposite !

A King of Babylon can worship idols, even build an idol of himself to worship, can adhere to the law of the Persian and the Medes (which ObamaCare mocked) no matter how wrong it is, but, that does not mean he is not a tool of YHVH to do his will and was raised up for that moment to do his will (blind the king of Jerusalem, kill his offspring, level Jerusalem, then have another King of Babylon rebuild it!). God named and picked Cyrus before he was born !

PHARISEES OF CONGRESS

Now, the pharisees of Congress want to pretend to have a fainting spell because their little delicate hearts were so disturbed at the King of Babylon’s private words about women and kissing them. I have heard much worse working around mechanics AND salespeople at car dealerships, about their own customers ! You know what is even worse then Trump’s words? God has shown me what the perverts of Congress do in the basement of their own house and their ACTIONS FAR exceed the King of Babylon’s WORDS about the opposite sex!

If you voted for Obama twice, I have no doubt you whored after Satan in the 1st earth age, and I have no doubt you deserve to vote for the whore of Babylon Mrs. Clinton that perfectly reflects our free mason idol in NYC harbor and the state of our nation. If God picked Mrs. Clinton for this role, can you imagine what she did in the 1st earth age when she followed Satan the 1st time, to earn this title?

As for Donald Trump, you want to vote for Donald Trump to make America great again, have at it.

One thing I would NOT do is oppose Donald Trump (“I love God. I love my church”) by pretending you are better than he is or you are so shocked by his words, after this nation has killed 40,000,000+ children of God in the womb (Luke 1:36), approved homosexual marriage for all 50 states (Lev 20:13), has borrowed \$20,000,000,000,000+ dollars with much of it from other nations (Deut 28:12), and uses the Lord’s name in vain all the time on TV and cable, including with a show on Fox dedicated to Lucifer !

None of us have clean lips and surely none of us in the land of Babylon are equal to or greater then Isaiah!

=====

Isaiah 6:5 (KJV)

5 Then said I, Woe is me! for I am undone; **because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips:** for mine eyes have seen the King, the Lord of hosts.

WILL GOD LET THE CURSE OF THE ZEROES BE UNDONE?

Will God let the “Curse of the Zeroes” be undone by having someone elected AND sworn in as the 45th president of the USA. I have asked this question of God a few times and have received no answer.

If the whore wins, she becomes the 2nd oldest, instead of Harrison! (We have found out now that is not happening since the election is over)!

If the King of Babylon wins, he becomes the oldest instead of President Ronald Reagan. Did you know the King of Babylon **does not drink alcohol?**

#45 in Bible numerics means PRESERVED LIFE

“Shall we go on sinning so that grace may increase? By no means! We died to sin: how can we live in it any longer?”

17 And he shall go before him in the spirit and power of Elias, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.

How God kills Congress 2017-01-20?

How has Obama primed Putin, a former KGB Russian Orthodox that goes to church and bans homosexual conduct, who has called the USA ... Sodom and Gomorrah, to give him a desire to attack the USA before Trump is sworn in?

First Obama has pledged to put 1000s of NATO troops on Russia's borders in Feb 2017, right after Trump is sworn in, already there as far as I know.

Thousands of US troops on Russia's doorstep in Poland deployment

<http://www.foxnews.com/world/2017/01/12/us-troops-creep-up-on-russia-by-thousands-in-poland-deployment.html>

Proud Russia no longer has the capacity to build new capital ships, they had to have France build one for them, which Obama held up, then it was canceled by France, and France has given the deposit back to Russia! Bad enough Russia had to sell their only air craft carrier to China because they could not afford to finish it! Now, which second rate name would France sell it to? Here is a hint ...

=====

Hosea 7 (KJV)

11 Ephraim also is like a silly dove without heart: **they call to Egypt, they go to Assyria.**

=====

ENS Gamal Abdel Nasser

https://en.wikipedia.org/wiki/ENS_Gamal_Abdel_Nasser

“ENS Gamal Abdel Nasser (L1010) is an Egyptian Navy amphibious assault ship, a type of helicopter carrier, of the French-designed Mistral class. It was originally built for the Russian Navy and underwent sea trials.[10] Subsequently the contract was cancelled by France and agreement on compensation reached with the Russian government. Egypt and France concluded the deal to acquire the two former Russian Mistral for roughly 950 million euros.[11] Egypt is considered the first and only country in Africa and the Middle East to possess an aircraft carrier of such type.[12]”

Now, what do you think Putin REALLY cares more about. The USA election or “his” ships? Hacking Clinton’s and Podesta’s e-mails was to get back at Clinton, Obama, CFR, for the ships, imho, and not about the election. What is left out of the lame stream media about the e-mail hacks is how they were all true and she is a disgusting whore that threw the election against Sanders and was even given debate questions ahead of time and they planted people to give her the question in the audience! Clinton is just like the other Clinton, evil, lying, and cheating whores.

I do not hold it past Obama not to sink one of Russia’s last capital ships to pop Putin over the edge. Especially considering vain and evil Obama is having his ObamaCare undone. What price would he make YOU pay to prevent that from happening? See my earlier column about the elected leader that made the pact with the snake, that God showed me.

By driving down the price of oil, it has badly effected Russia since their economy greatly depends on oil exports for their economy.

We have the lowest amount of troops since WWII.

You know when Obama used the aircraft carrier comment in the 3rd debate against Romney, basically mocking him with the article I wrote for www.obamasucks.tv, you should have been expecting something like this from Obama

...

For the 1st time since WWII we have NO aircraft carriers at sea, NONE. Most (almost all) are all in one port on the east coast including those in reserve and mothballs! The USA’s 3 air craft carriers being at sea during the

SNEAK attack at Pearl Harbor was one of the main reasons we won the war by defeating Japan at the Battle of Midway! You would think the bad thing about having all your eggs in one basket would never be repeated again after all those battleships and planes were destroyed.

Now, it almost looked like a product placement ad when the whore of Babylon (Mrs. Clinton) opened her filthy mouth and commented on this subject, she said a president has to be ready to respond to a nuclear attack in 4 minutes ...

Now, if you were an enemy of the USA, what would come into your mind? To attack off the east and west coast with missiles to only give the USA only 2 minutes to respond!

Army says 2-star general committed suicide on Alabama base

<http://www.foxnews.com/us/2016/10/29/army-says-2-star-general-committed-suicide-on-alabama-base.html>

“Maj. Gen. John Rossi was found dead July 31 at Redstone Arsenal, **two days before he was to assume command of Army Space and Missile Defense Command.** He is the first Army general to commit suicide on active duty since record-keeping began in 2000, according to the Army.”

So, the whore of Babylon blabs (watch the video, really!) about the president having to respond to a nuclear attack within 4 minutes and the man responsible for defending against a nuclear attack just happens to commit suicide. What are the odds of that happening? Though it is probably lower odds than Obama’s LFBC being real, because once you print that LFBC out, you see it has kerned fonts (example Y) and two different Ks from the same 1961 manual typewriter ...

Russia is ordering all of its officials to fly home any relatives living abroad amid heightened tensions over the prospect of global war, it has been claimed

<http://www.dailymail.co.uk/news/article-3833941/Russia-orders-officials-fly-home-relatives-living-abroad-tensions-mount-prospect-global-war.html>

Now after Obama has let Putin walk all over him, seeing how the Muslims murdered and RAPED our ambassador (see the rape pictures on my website), how a red line does not mean a red line in Syria, and now seeing how weak and vulnerable the USA has become, ask yourself this.

Does Putin believe Donald Trump the billionaire, with properties and businesses all over the world, that just defeated Clinton against all odds, by UNDER spending her, that will brutally pummel anyone that contests him (King of Babylon type), does Putin believe Donald Trump can “Make America great again”. I submit to you, he does or he will ! Will the Donald make America great again?

From Strongs:

tare = to split, cleave, break open, divide, break through, rip up, break up, tear

RUSSIA !

Why would they imply that? Go look up what “she bear” means in Strongs ! “the bear (as slow):—bear.”

God picked the perfect whore of Babylon (Clinton) and the King of Babylon (Trump) for a reason, to point to Rev 17 and the Bible numerics God laid in the history of the whore of Babylon (USA) to make a point about the authority of scripture (Bush #41 = #152 - look it up, even his son could not escape #152 with the hanging chads).

You know, this nation (and France) not only mocks God, it mocks Satan (Allah), even when an angel would not do it.

Jude 1:9

Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee.

Mrs. Clinton (the whore of Babylon) could not come out after her defeat and apologize to her followers, she had to submit to the King of Babylon first with nice words, after mocking him !

IMHO, This 2016 election is how the USA ends, with the useless idol and Statue of Liberty (free mason government), the whore of Babylon hiding from it's citizens as it is finally defeated by The King of Babylon that it mocked (Satan) in stages with HIS 10 kings, that he sends out to defeat her, just as Trump did to Clinton. This is God's will.

Anyone that voted for Obama (#44 = bloody thirsty murderers and secret society = vampire bat), the son of Satan, in 2008 and 2012, I have no doubt followed Satan in the 1st earth age. They already doomed themselves twice, the 3rd time was the abomination. Voting for HRC in 2016 was just icing on the cake that these people would approve of anything bloody and unclean and are worthy of death of both the body and soul.

Being “elected” is different from serving, I would not be in Washington DC 2017-01-20, as God showed me he is killing Congress and Congress's own stenographer warned them 3x that God will not be mocked, after they were warned literally years for them to not mock God!

Though I would encourage any of the baby killers that voted for Obama and HRC to protest with all your heart and might in DC on 2017-01-20. I encourage you to tear, rip, and burn the flag and anything else in your way! Maybe God will hear and act on your prayers and actions that day **as you rebel against his chosen servant.**

'THEY KNOW SOMETHING'S COMING' Conspiracy theory claims apocalypse is imminent – but world leaders only have plans to save themselves

<https://www.thesun.co.uk/news/2137063/conspiracy-theory-apocalypse-imminent-world-leaders-plan-save-themselves/>

=====

All these people, the New World Order and the world governments build their lairs under mountains, and they will deliver you up to the false messiah.

This is just Satan having a few last laughs at the Christians that still think the USA (whore of Babylon) is one nation under God.

What the Christian Trump supporters do NOT understand about why Trump "forgave" Clinton and are outraged by it, let me explain it to you since obviously you know nothing about the man.

NOW, be clear on one point, the King of Babylon (Trump) hates the woman of Babylon (Clinton) and can not wait to destroy her along with his kings, when he gets permission. Which he (Satan) does, Rev 17.

What did Trump say throughout the election as related to ISIS? That he would never tell them ahead of time what he would do.

NOW, if Trump said he would throw Clinton in jail as soon as he is sworn in, then Obama would be forced to give her a pardon on his last day to prevent that. A get out of jail card.

If Trump is all kissy kissy then Clinton can not demand one from Obama (who hates the racist Clintons). Then when Trump comes into office -BAM- the 1st thing he does is have the DOJ charge both Clintons with treason and corruption. She never sees it coming as she is defeated.

IMHO, How Clinton gets defeated and treated is going to be how the USA is treated. The war will be up and down, with the USA just close enough to win, once defeated our leaders will not come out and face the nation, they will make a false agreement with the forces of the anti-christ, and then the woman of Babylon will be totally defeated. GOD is going to save 1/3 of the USA (Zech 13) for himself.

Now to understand Clinton's actions. She and her husband channel "Eleanor" Roosevelt and take "her" advice (your false religious leaders and free mason 2nd amendment document). I have no doubt a completely insane excuse was given for "her" advice falling through and advice given on how to defeat the King of Babylon and betray him (this happened before in the Bible), even though God gave them over to the King of Babylon. His response (King of Babylon) then will be over the top at the betrayal and he will seek utter destruction and he will defeat the woman of Babylon.

The ages of the woman of Babylon (Clinton - aka Harrison) and King of Babylon (Trump - aka Reagan) were suppose to point you to ""Curse of the Zeroes" - the Book of Judgments" so you would know what would happen to the USA after Obama (#44 = blood thirsty murderers and secret society aka #44 vampire bat in the Bible).

Civil War is going to break out the world over, including here in the USA after we are attacked. It is going to be both race based and faith based. This is what Obama has been doing with the refugees, priming the charge with his own demon following Kenite children of Satan.

In case you have not been able to tell, Obama who wears a ring "allah is the only god" hates Christians and he loves "blacks" (really Cushites from Noah's seed) so much he has sold them further into slavery (welfare, food stanps, poverty) just like his forefathers did in Kenya when they invaded and sold their "countrymen" aka Cushites into slavery to their white brother in laws (USA).

Satan must be laughing his behind off at the stupidity of this nation, the Clintons, and the people that voted for Trump (a tool of God) that can not understand his actions.

The most dangerous time for this nation will be on 2017-01-20, when the King of Babylon looks out over the crowd and his empire and has that thought "look at what I built" as he is being sworn in.

I wrote back in 2011 that 2018-01-20 would be when China (and others) would attack us, based on history, what they are doing, what they are SAYING, and Bible numerics. Rest assured, when an Asian country says they would never attack you, they mean the exactly the opposite !

► **TQO#139 Our next Pearl Harbor - 01-20-2018? have we been warned? ([click](#))**

Having witnessed how Trump and Clinton have acted and are acting, I now think it will be 2017-01-20 instead.

China is not buying container shiploads of cement from our east coast, shipping it all the way over to China, and then building empty cities with it for no good reason. IMHO, China is going to take the 200,000,000+ population loss from a nuclear response and move the survivors to the empty cities and then invade Taiwan. That is their plan, God has other plans for them and the USA (Zech 13).

When the whore of Babylon (Hillary) submitted to the King of Babylon (Trump) and then would not go out and speak to her heart broken followers, know your government is going to do the same to you when the anti-Christ defeats it, and it betrays you.

We already know homosexual conduct is one thing that will cause God to personally dump hellfire on a place

<http://www.arkdiscovery.com/sodom & gomorrah.htm>

Just as the Book of Jude says:

“7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.”

There is only one dead sea in the world, do you think the 1,000,000+ people they found in graves there, chose to live in the middle of a hot desert, on a shore of water, were you could not fish, drink, or harvest anything? How did the fresh water get so polluted by minerals you can not drink it? The whole society and area thought nothing wrong with raping men and homosexual conduct. Why? The absent of God and the absent of the fear of him, sort of like booing God at the DNC event ? I was basically raised an atheist and I never thought I would see that ever happen, basically Romans 1:26 coming alive on video. Total utter lack of respect or fear, even for the godless.

Inside their “prepper” stone walls and buildings, many feet thick, the Sodomites thought they were safe and could do what they wanted, until God literally melted their stone walls and vaporized them !

I do not know exactly when the USA is going to be destroyed by God, but, I surely would not be in the same spot as Congress and the SCOTUS that approved homosexual marriage, on 2017-01-20.
